

# Brrrr... it's getting cold out there!

**Donate new coats or winter clothing  
to help our city's homeless students**

**Educators are heroes in so many ways...**

This year, you can help take some of the chill out of winter  
by donating new coats or other winter gear  
to homeless students in our city's schools.

**To donate any items of clothing (must be new) –  
including coats, sweaters, scarves, mittens, gloves  
and hats – please bring your garments on or before  
November 15, 2016 to either UFT headquarters  
(52 Broadway, 14th floor, Manhattan, c/o Adelina Santiago)  
or to your UFT Borough Office.**

Additionally, you may drop off your donation  
with your school's chapter leader  
and we can arrange for a UFT pick up.

**All donations are greatly appreciated.
