

UNITED FEDERATION OF TEACHERS WELFARE FUND

Q What is the Direct Access Rx Plan?

A The **Direct Access Rx Plan** offers discounts on prescription drugs at participating Express Scripts pharmacies.

Q How does the plan work?

A After enrollment, Express Scripts will send you an identification card. Present the card at any participating pharmacy and you will receive the discount. Call customer service at **(800) 467-2006**, if you need help locating a pharmacy near you.

Q Who is eligible?

A UFT members who do not have prescription coverage through the UFT Welfare Fund may enroll on an individual or family basis. Family subscriptions include spouse/domestic partner and unmarried dependent children to age 19 (age 23 for full-time students). There is no age limit for dependent children who are disabled.

Individual and family subscriptions are also available to single or married children and parents of UFT members.

Q How much can I save with this program?

A With the **Direct Access Rx Plan** you will save on average 15% to 30%, or more, off retail pricing. Percentages will vary based on the prescriptions, quantity and provider.

Q What is the cost of enrollment?

A Individual - \$21.00
Family - \$45.00

Q What is the enrollment period? When does my coverage become effective?

A You may enroll at any time using the enclosed form. Once your check is received and processed, your coverage is effective and good for a period of one year.

REMINDER

Discuss generic drugs with your physician and pharmacist. This is a safe and effective way to save on prescriptions for you and your family.
