

**DIRECTORY
OF
PARTICIPATING
OPTICAL
PANELISTS**

May 2009

We are pleased to announce the optical providers in this directory have affiliated with our Optical Benefit Program. Stamped and validated Optical Benefit Certificates will be honored by any of them.

The names, addresses and phone numbers listed are correct as of the time of printing. The Welfare Fund is not responsible for any changes that may have taken place after that date.

General Information

DESCRIPTION OF BENEFITS

I. Participating Panelist (Most chains participate; check most recent listing.)

A. Covered Optical Service: The optical benefit consists of one "optical service" every two (2) years at no cost to you, computed from the last date of service. An optical service consists of a complete pair of single vision, bifocal or trifocal eyeglasses, or the replacement of a frame, or lens and **at the same time**, if necessary, an eye exam*. **The optical service cannot be split between two (2) visits or two (2) panelists.**

1. A complete pair of eyeglasses includes a pair of single vision, bifocal or trifocal lenses, and a basic frame. A basic frame is defined as any frame with a minimum retail value of one hundred (\$100.00) dollars.

2. A basic eye exam, as performed by an optometrist, will encompass a refraction which includes a retinoscopy, a tonometry (glaucoma test), a physical health evaluation and history. If the patient and optometrist agree that dilation is required, the optometrist is allowed to charge the member an additional \$30.00.

3. Prescription sunglasses are a covered benefit.

4. In lieu of the above, you may elect to purchase contact lenses and receive a credit as per the fee schedule.

* *Laws in certain states such as New Jersey, Connecticut and Florida prohibit examinations at certain optical centers or mandate a specific charge. Members are advised to check with the participating panelists outside New York State to determine if the eye examination is provided without additional costs or copays.*

B. Discounts & Surcharges at Participating Panelists:

1. For any upgraded service, you will receive a minimum 10% discount off the retail price.

2. You may be charged up to the following surcharges (per pair) for any items listed below:

Tinting:	\$15.00
UV Block:	\$15.00
Scratch Resistant Coating:	\$20.00
Glare Free Coating:	\$30.00
Polycarbonate:	\$35.00
Photochromic (Transitions):	\$50.00

In no event shall the Fund be responsible to pay such additional charges.

3. For any item purchased not in connection with your optical service, for example, a second pair of glasses, a minimum 10% discount will be given.

II. Direct Reimbursement

If eligible for an optical service as defined above, and you use a non-participating provider, reimbursement is \$75.00 or the actual charge, whichever is less. **Please be aware that the discounts and surcharges indicated above do not apply.**

HOW TO OBTAIN BENEFITS

1. This original certificate must be validated by the Fund Office to verify your eligibility PRIOR to your using this certificate. Photocopied certificates will not be accepted.
2. A separate certificate for each family member is necessary. **Certificates are not transferable.**
3. **Certificates will not be honored for payment if any information is altered.**

PLEASE NOTE: This certificate is null and void if your eligibility is terminated. In addition, in the event you receive an overpayment of benefits, on your behalf or on behalf of your dependent, you are obligated to refund said overpayment to the Fund immediately.

I. Participating Panelist Program

1. You should present this validated certificate to any of the Participating Optical Panelists designated on the current list of Welfare Fund Optical Centers. Validated certificates must be presented to the Panelist prior to expiration date. If the certificate has not been used within the 90-day period, a replacement may be obtained.
2. Panelists are not obliged to accept validated certificates after an order is placed.
3. Upon completion of the service at the Participating Optical Center, please make sure to sign and date Part 6 before leaving the store. Payment will be made directly to the Participating Panelist.
4. Panelists should submit their monthly billing with a completed billing sheet to: GVS, UFT Division, PO Box 731, New York, NY 10018. Please make sure to include your Provider Locator ID number.

II. Direct Reimbursement Program

1. **No direct reimbursement will be made if service is rendered at a participating panelist.**

2. Attach an ORIGINAL PAID itemized receipt and a copy of the prescription to the validated certificate. Altered or photocopied receipts will not be accepted. Sign and date Part 6 and mail it to the UFT Welfare Fund office, 52 Broadway, 7th Floor, New York, NY 10004, for reimbursement.
3. Reimbursement will be \$75.00 or the actual charge, whichever is less.
4. Reimbursement will be \$20.00 for an eye exam only, when no other services are rendered.
5. No assignment of payment is allowed.
6. Claims must be submitted for payment no later than 90 days from date of service.

SPECIAL COORDINATION OF BENEFITS

A member married to another member is entitled to special coordination of benefits (SCOB). This entitles each eligible family member, upon presentation at the same time of two (2) validated certificates, to two (2) covered services, *one service under each member's benefit record*.

If the patient does not want the second service for example, a second pair of eyeglasses at the same time as the first, he or she can **either**:

1. Use the second certificate toward the out of pocket amount of the first service.

OR

2. Use the second service any time within 90 days. After 90 days you must obtain a new validated certificate.
