

WEAR BLUE TO SCHOOL ON FEB. 10

On Feb. 10, AFT members around the country will be wearing blue to work to support the federal stimulus legislation currently being considered in Congress. The effort is part of the AFT's "Fight for America's Future: It's Dollars and Sense" campaign. Essential services are facing draconian cuts due to the economic crisis, and the Feb. 10 show of solidarity is a way to send a clear message: Strengthening education, health care and public services is crucial in order to restore and preserve opportunity in this country.
