Dear Office Manager:

At Central Medical Services of Westrock, we provide healthcare services for people who are injured at work or suffer from work-related illness or disease. We help injured workers navigate effectively through the complex Workers Compensation, Social Security Disability and Disability Retirement systems.

CMSW has many years of experience within the Workers Compensation, Disability Medicine and Personal Injury arenas. Our multi-specialty approach allows us to treat everything from musculoskeletal injuries to PTSD. Our services include:

- All Workers Compensation Injuries
- Occupational Diseases
- SLU's (Schedule Loss of Use)
- RSI Treatment/Management
- Short / Long Term Disability
- Social Security Disability
- City, State, & Federal Disability Retirement
- Fitness for Duty Evaluation
- Primary Care Services
- Alcohol & Substance Abuse Evaluations
- Pre-Employment Physical Examinations
- All Medical Conditions can be referred to our Network Consultants.

We would like to take this opportunity to provide you with our business cards so that you may refer to us with ease. We ask that you do the same in order for us to simplify our referral process to your office.

We thank you in advance for your kind referrals. If we may be of further assistance, please do not hesitate to contact our office at 1-718-626-4444.

Thank you,

Michael Hearn, M.D., M.Sc.
