

Overview of changes to Disciplinary Responses in Discipline Code

- Significantly revised the disciplinary responses for students in Grades K-2.
 - Limited the use of suspensions for Grades K-2 only to those instances when required by federal law or in extremely rare circumstances when a student repeatedly displays behavior that is violent or could cause serious harm.
 - Limited the length of a teacher removal for students in Grades K-2 to a maximum of 1 school day.
 - Eliminated the possibility of principal suspension for a student in Grades K-2 based on repeated teacher removals during a semester or trimester.
 - Added additional lower disciplinary responses for Grades K-2 for all Level 4 infractions.
- Expanded the disciplinary options in connection with Superintendent suspensions to include 11-29 days; 30-59 days with review at 30 days for suspensions of 39 or more days.
- Clarified that a principal suspension is required for students in Grades 3-12 for the next infraction that would otherwise have resulted in a teacher removal after a student engages in 4 behaviors (semester) or 3 behaviors (trimester) that resulted in a teacher removal.
- All interventions and supports provided to a student in response to behavioral incidents must be entered into the Suspensions and Office of Hearings Online (SOHO) system, regardless of whether or not a disciplinary action is imposed.
