Dear U.F.T

Thank you so much for letting PS.233 visit your hospital/dentist. I had lots of fun and I learned a lot about my teeth. Your hospital/dentist was very neat. I loved it. I also liked how nice the doctors and nurses were!

Sincerely,  
Anthony

Dear U.F.T,

I thank you guys for letting us come to Brookdale and learn about teeth. The dentist gave us a check up on our teeth and I think all of us got a great report about teeth. After we were all done they gave us a toothbrush, toothpaste and a paper that teaches us how to brush your teeth. I thank you guys again for letting us come there today.

Sincerely,  
Samaya

Dear U.F.T.,

Thank so much for letting us go on this wonderful and fun trip. We all enjoyed it, and we didn't even want to leave. Also, when we reached we had to stay quiet like if we were in a library. We also went into a conference room, where we learned how to take care of our teeth. Also, how to keep it healthy. Then we went into another part where they checked our teeth. After we got a bag with a tooth brush and tooth paste. Then finally we took a group photo! I really loved this trip. Thank you so much for doing this.

Sincerely,

Toneka
