

PARENTS

How does this apply to you?

Upon your request or the request of your child's teacher, did your child's school evaluate your child to determine if he or she is eligible for special education services? Yes No

If your child is eligible for special education services, has your child's school developed an IEP for your child and updated your child's IEP on an annual basis? Yes No

Has your child's school provided related services (speech, counseling, occupational therapy, physical therapy, school health services) according to the frequency, duration and location specified on your child's IEP? Yes No

Has your child's school provided IEP-mandated paraprofessional services for your child? Yes No

Has your child's school arranged IEP-mandated special transportation for your child? Yes No

Has your child's school placed your child in the setting (e.g., general education class with special education teacher support services, integrated co-teaching, special class) recommended on his or her IEP? Yes No

If your child is not progressing in the grade-level curriculum or meeting his or her IEP goals, has your school reconvened your child's IEP team to consider additional or different supports and services? Yes No

If your child is exhibiting challenging behavior, has your child's school conducted a functional behavioral assessment and developed or reviewed a behavior intervention plan? Yes No

If your child receives integrated co-teaching services (collaborative team teaching) has your child's school provided two appropriately certified teachers (one general education or content area and one special education) for all periods specified on your child's IEP? Yes No
