

SBO Ballot
Departmentalization of All Subjects in (4th Grade)
(District/School)
(School Year)

Contract Article 7:

Teachers should be given an opportunity to fill out "preference sheets" indicating three preferences in order of priority of grade level and type of class on that level or, in the case of special education teachers, the age range of special education classes and education program designation (e.g. staffing ratio, collaborative team teaching, SETSS, etc.) with the understanding that, where advisable and possible, such preferences will be honored. Teachers should be given an opportunity to discuss their assignment requests with their principal.

SBO:

This SBO would allow for departmentalization of ELA, Math, Social Studies, and Science in 4th grade. The teachers selected through (choose: a posting or preference sheets) will be responsible for teaching ELA and Social Studies or Math and Science to the entire 4th grade. The number of teaching, lunch, and prep periods will remain the same as a regular (choose: classroom or cluster) teacher.

I want (School) to modify the contract as stated above.
