Differential Requirements (SLPs)

Speech teachers with the SLP are required to provide the DOE with their National Provider Identification (NPI) number, Medicaid Provider number (billing or non-billing), and New York State active SLP license number. Provision of these items will trigger the $5,000 salary differential.

SLPs who do not yet have a NPI number or Medicaid provider number must apply for one right away by following the instructions in the attached document. These applications must be completed during the regular workday. **SLPs must have an NPI number to apply for a**
Medicaid Provider ID. While the turnaround time for a NPI is 10 business days, most applications are processed and returned via email the same day.

If an SLP is not sure if they have either a NPI or Medicaid Provider ID, utilize the following two links for assistance:

NPI Registry: https://npiregistry.cms.hhs.gov/ Use this website to search active NPI numbers.

Enrolled Practitioner Search: https://www.emedny.org/info/opra.aspx While this website will not return a Medicaid Provider ID, any individual who is listed on the site is an enrolled provider and does have a Medicaid Provider ID. Questions on finding out the Provider ID can be directed to New York State at 800-343-9000.

SLPs will not receive the differential until all these steps are completed and current in NYCAPS. SLPs are responsible for maintaining their credentials in NYCAPS; if an item (such as the SLP license) expires, it is the responsibility of the SLP to renew and to update their information in NYCAPS. Guides on applying for the NPI and the Medicaid Provider ID as well as using NYCAPS Employee Self Service are in the appendix. For questions about ESS or the differential please call 718-935-5700 or email Speech-Medicaid@schools.nyc.gov. If you encounter problems with ESS please take screen prints to help facilitate easier assistance.

Speech Referrals (SLPs)

Per the agreement between the UFT and the DOE, speech referrals are to be completed within 10 days of first serving a student as per their IEP speech recommendation(s). A new referral must also be completed within ten days of first service following any subsequent change to a student’s IEP speech recommendation(s), including newly referred students.

Completing the Referral

The speech referral in SESIS has been revised to comply with Medicaid standards; information has been pre-populated wherever possible to simplify and speed entry. Numerous training resources are available to DOE staff via the NYCDOE intranet at this link:

https://intrananet.nycboe.net/SpecialPopulations/SESIS/default.htm

Resources include:
  • A short video on how to complete the speech referral form.
  • A resource document on completing the speech referral form.
  • Contact information for the DOE’s Medicaid Compliance Officer.

Understanding “Medical Necessity”

In completing the referral form in SESIS, the SLP must enter their determination regarding whether the student’s speech services are “medically necessary.” New York law defines “medically necessary medical, dental, and remedial care, services, and supplies” in the Medicaid program as those “necessary to prevent, diagnose, correct, or cure conditions in the person that… interfere with such person’s capacity
This means that the SLP’s professional opinion, without the speech services recommended on IEP, the student would not be able to normally participate in their education, therefore the service is medically necessary. Making this determination is an appropriate function under the SLP license.

If the SLP responsible for completion of the referral does not believe the student’s services are medically necessary, the SLP should select the option reflecting that determination on the referral. The DOE will follow up with the student’s IEP team for future consideration of the service; the service should continue to be provided as currently recommended.

Choosing an ICD Code
In completing the referral form in SESIS, the SLP must also select at least one applicable ICD-10 code. ICD stands for International Classification of Disease. The speech referral form lists the most common ICD codes used by SLP speech teachers in educational settings; you may also search for additional speech codes using the feature on the SESIS form. At least one ICD code must be selected on the form.

The American Speech-Language Hearing Association (ASHA) provides responses to a list of Frequently Asked Questions concerning the selection and use of ICD-10 coding for speech services on their website here:

http://www.asha.org/Practice/reimbursement/coding/ICD-10-CM-Coding-FAQs-for-Audiologists-and-SLPs/

In addition to the above link, the DOE is arranging for a webinar on selecting ICD codes and why it is a component of the referral. Staff will be notified ahead of time about participating in the webinar.

Students with Multiple Speech Providers
There are some instances where one student has multiple speech providers serving the IEP. To determine who is responsible for completing the referral:

- If only one provider has the SLP speech license, that provider is responsible for completing the referral.
- If there is more than one SLP licensed provider serving the student:
  - The provider who serves the student a greater amount of the time per the IEP is responsible for completing the referral, or
  - If the providers serve the student equally, they are to discuss with each other to determine who will complete the referral.

Frequently Asked SESIS Questions

1. Why is the System showing following Error Message?
   “This student does not have a current recommendation for speech services from their most recent review and does not require a referral.”

   A: The Student doesn’t have Speech Language Therapy in their latest finalized conference document (IEP/IESP/CSP)

2. Why is the System showing the following Error Message?
   “You do not currently have either license information and/or a NPI number in NYCAPS. Please utilize the
employee self-service feature in NYCAPS to enter your license data and NPI number. It will take one business day for the information to update in SESIS.”

A – Your user id is missing either NPI Number or License Number or both in SESIS Staff table. You should verify if NYCAPS has both your NPI Number and your License Number. If either or both are missing in NYCAP, please update the numbers and allow 24hrs for the update to come to SESIS. If both the numbers are in NYCAPS and you are still getting the error message, please contact helpdesk.

3. What should I do if my NPI and/or License Number is incorrect on the Speech Language Referral Form?

A: Visit NYCAPS and verify if the NPI Number and License Number are correct. If not, update NYCAPS with the correct numbers and allow 24 hours for the update to come to SESIS. If the numbers in NYCAPS are correct you are still getting the error message, please contact helpdesk.

4. Why do I receive the following error message when I attempt to access the “lookup” link associated with Additional ICD-10 codes(s)?

Sorry, you do not have access privileges to view icdcode. If you believe you should have access, consult your system administrator (ADMIN)

A: Your SESIS profile does not have rights to access the Additional ICD-10 codes table. Please contact the help desk.

5. Why doesn’t the Referral Date populate when I check the “I certify” checkbox?

A: The Referral date is not-editable and gets populated upon finalization of the Referral.

6. Why do I not see Speech Language Referral Form in the Create New Document dropdown?

A: Your user id in SESIS mostly likely does not have the correct security role. Please contact the help desk for assistance.

DIIT Help Desk: 718-935-5100 (SESIS login issues, internet connectivity issues, equipment issues)

Reimbursements for License Renewals (SLPs)

SLPs are entitled to a reimbursement of $229 for SLP license renewal fee once every three years. The DOE will be providing these reimbursements automatically as a net pay increase (meaning taxes will not be taken out) in a provider’s pay check. These reimbursements will happen over four points of the school year; SLPs and the UFT will be notified prior to payment being issued.

Chromebooks (All Speech Providers)
All DOE speech providers will be provided with a Chromebook to assist in SESIS responsibilities, including the entry of encounter attendance. New hires to the DOE for the 2017-18 school year as well as staff returning from leave will receive their Chromebooks beginning in October. If by November you have not been contacted about receiving a Chromebook, please email MedicaidOps@schools.nyc.gov with your name, payroll school, and file number.

Per Session (All Speech Providers)

As part of the agreement between the UFT and DOE, per session hours will be allocated for all DOE speech teachers to assist in their duties. In October 2017 all speech teachers will have 20 per session hours allotted to them for use. The agreement also allows any speech provider with an active caseload of 31 students or greater to utilize up to an additional 20 hours of per session for the school year. In January 2018 the DOE will calculate provider caseloads. Speech teachers maintaining caseloads of 31 or more students will receive the second allocation of per session hours in February 2018. Speech teachers who are not actively serving 31 or more at the time of the caseload calculation will not be eligible to work the additional per session hours.

Unlike other per session activities, these per session hours may be completed at home if the DOE speech teacher is completing encounter attendance in SESIS. No other activity (in SESIS or otherwise) is eligible for to be performed at home; claims for work at home for any purpose other than verified entry of certified encounter attendance records in SESIS will not be approved for payment. Per session hours worked at school are governed by, Chancellor’s Regulation C-175. Using a per session time card, hours worked at school must be clocked in and out; DOE speech teachers are to utilize a time clock if their school has one available. For all per session, it is expected that the DOE speech teacher will keep diligent records of the time worked, including the date, start time, end time, and if the per session occurred at school or at home. These per session hours are to assist you in completing SESIS responsibilities, including completion and certification of encounter attendance records for all sessions as close as possible to the date of service. The chart below reflects the two types of per session and what is needed to manage time worked.

For each time period where per session occurs the DOE speech teacher will need to submit both a timesheet and a time card to the payroll secretary at their payroll school. If the DOE speech teacher serves multiple locations forms must be submitted to the payroll school in order for time to be processed. A sample time sheet and time card with annotations is in the appendix. Per session time will be reviewed for approval by supervisors once a month. After they complete their review and approvals, the per session will be processed for inclusion in the subsequent payroll period.

Technical questions about per session should go to the payroll secretary at the provider’s payroll school.

National Provider Identification Guide

About the National Provider Identification number

A NPI is a health care provider identification number used by the federal government and many private health care organizations to track health care providers. The number is “information free,” meaning it is not made up of one’s birth date or other identifying information. This identifying information is maintained by the federal government and is not released to the public. However, clinicians’ names and practice locations will be publicly available through the system.

To obtain an NPI, go to https://nppes.cms.hhs.gov/NPPES/Welcome.do and follow the instructions on the screen, noting the following:

- make sure you apply for an individual (as opposed to group) NPI
- when asked if you are a sole proprietor, you should answer yes
- when asked for a business address and a practice location you may enter your work location. If you work in more than one school please enter your payroll location (where you receive your pay check or pay stub).
- when asked to supply a contact person, please supply your own information; you may use your DOE phone number and email address
- the taxonomy code for a Speech Language Pathologist is 235Z00000X
- you will need your currently active license number for the application

If you are having problems using this system, please call: 1-800-465-3203 (NPI Toll-Free) (1-800-692-2326 (NPI TTY))

The following pages contain a step by step guide for the online application process.

Appendix 13

The Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) mandated the adoption of standard unique identifiers for health care providers and health plans. The purpose of these provisions is to improve the efficiency and effectiveness of the electronic transmission of health information. The Centers for Medicare & Medicaid Services (CMS) has developed the National Plan and Provider Enumeration System (NPPES) to assign these unique identifiers.

How to apply for an NPI

Individual Providers:

As an individual provider, you may only have a single NPI, which will be associated with your unique, individual information. Once you log in to NPPES, you will be able to complete your NPI application.

2. Login to NPPES with your I&AS Username and password.
3. Complete the NPI application. Estimated time to complete the NPI application form is 20 minutes.

Healthcare Provider Organizations:

Healthcare Organizations are currently required to have a separate Username and password for each NPI associated with the organization.

1. Create an NPPES ONLY Username and password for the NPI you are applying for.
2. Complete the NPI application. Estimated time to complete the NPI application form is 20 minutes.

Enter your User ID and password and login. You will be applying for an individual NPI.

NPI Registry: Healthcare providers create and maintain NPI records in NPPES. Our NPI Registry is a separate service that allows the public to search and view those active NPI records.

Medicaid non-Billing ID Application Guide

All DOE speech teachers who are licensed speech language pathologists (SLPs) are required to enroll with Medicaid so that referrals for speech services can be completed. Obtaining the Medicaid ID is also required to receive the salary differential for SLPs.

You will need to **print and mail** this application. To complete the application you will need your NPI number and your SLP license number. You will also need to enclose a copy of your New York State license for your SLP that shows active registration.

This document contains screen shots with details on how you can complete the application. General instructions for this application are:

**General Instructions:**

- Read the instructions carefully
- Complete ALL items on the enrollment form unless otherwise instructed. Failure to complete all required fields will result in your enrollment form being returned to you which may have an impact on the enrollment effective date.
- Required documentation MUST cover the application date and be continuous through the current date.
- Submit proof of current license/registration. Examples: 1) Copy of license with future expiration date, 2) Copy of license registration/renewal, or 3) Printout of license status from the licensing agency’s website.
- Completion of signature field is required and must be original. Initials or rubber stamped signatures will not be accepted.
- Type or legibly print in black or blue ink. Do not use red ink, nor white-out. All attachments will be scanned so they must be legible and on standard 8 ½ x 11 paper in good condition.
- Keep a copy of all documents submitted.

New York State Medicaid
Enrollment Form

Thank you for your interest in enrolling with the New York State Medicaid Program. As a Medicaid provider, you agree to comply with the rules, regulations and official directives of the Department, including, but not limited to Part 504 of 18 NYCRR which can be found at the Department of Health’s website: www.health.ny.gov.

This enrollment form should be used by practitioners seeking enrollment as an ordering, referring, attending or prescribing practitioner only (attending providers should use this form if their name and NPI will only appear on the hospital’s claim). These practitioners will not submit claims to Medicaid and, therefore, will not receive payment from the Medicaid Program.

If you will also provide medical services to patients, or as an attending provider will submit a separate claim to Medicaid for your service, do not complete this form. Visit www.eMedNY.org and complete the enrollment form appropriate for your license/certification.

Consider printing the Instructions to Complete Enrollment Form before continuing.

New York State’s Personal Privacy Protection Law requires us to inform every person from whom we request personal information why we are requesting information and how we will use it. The information requested will permit proper payments to you as a Medicaid provider, according to the provisions of applicable State and Federal Law and Regulations. Collection of this information is authorized by Section 367-b of the Social Services Law. This information will be used as one element of various reviews before payment is made for the goods or services furnished and/or for any post payment audits required by the State or Federal authorities. This information will also be used to satisfy the reporting requirement imposed upon us by State and Federal Regulations (e.g., by IRS for payment information reporting purposes). Failure to provide us with the information will prevent establishing the records necessary to enroll you as a Medicaid provider. The information will be maintained by the New York State Department of Health, Office of Health Insurance Programs, Division of OHIP Operations, Bureau of Provider Enrollment, Albany, New York.

There is no action to take on this page.

By signing this enrollment form for participation in the New York State Medicaid Program, the Applicant/Provider understands and agrees to the following:

- As a Medicaid Provider you agree to comply with the rules, regulations and official directives of the Department, including but not limited to Part 504 of 18 NYCRR which can be found at the Department of Health's website, [www.health.ny.gov](http://www.health.ny.gov).

- In addition, pursuant to 42 CFR, Part 455.105, by enrolling in the Medicaid Program you agree to disclose the following regarding business transactions within the next 90 days upon request of the Department or the Secretary of Health and Human Services.
  1. Information about the ownership of any subcontractor with whom the provider has had business transactions totaling more than $25,000 during the 12-month period ending on the date of the request, and
  2. Any significant business transactions between the provider and any wholly owned supplier, or between the provider and any subcontractor during the 3-year period ending on the date of the request.

- As a Medicaid Provider you agree to abide by all applicable Federal and State laws as well as the rules and regulations of other New York State agencies particular to the type of program covered by this enrollment application.

- For those providers for whom the Mandatory Compliance Law applies (see [www.OEMG.ny.gov](http://www.OEMG.ny.gov)), the Provider has certified via the Office of the Medicaid Inspector General's web site referenced above that the provider and its affiliates have adopted, implemented and maintains an effective compliance program that meets the requirements of Social Service Law Section 963-c & 18 NYCRR, Part 621. A copy of the certification confirmation is included with this enrollment.

- Unannounced site visits by Medicaid, CMS or their agents/designated contractors may be condition of initial and continued enrollment. In addition, the provider and/or owners (defined as at least 5% interest) may be required to consent to criminal background checks including fingerprinting.

- As a Medicaid Provider you agree to notify this Department immediately of any changes supplied in this enrollment agreement, including impending ownership changes.

- The Department may deny or terminate enrollment as a provider in the Medicaid program if it is determined that executive compensation, bonuses, incentives and costs of administration exceed reasonable levels.

**WHOEVER KNOWINGLY AND WILLFULLY MAKES OR CAUSES TO BE MADE A FALSE STATEMENT OR REPRESENTATION ON THIS STATEMENT MAY BE PROSECUTED UNDER APPLICABLE FEDERAL OR STATE LAWS. IN ADDITION, KNOWINGLY AND WILLFULLY FAILING TO FULLY AND ACCURATELY DISCLOSE THE INFORMATION REQUESTED MAY RESULT IN DENIAL OF A REQUEST TO PARTICIPATE OR WHERE THE ENTITY ALREADY PARTICIPATES, A TERMINATION OF ITS AGREEMENT OR CONTRACT WITH THE STATE AGENCY OR SECRETARY, AS APPROPRIATE.**

NYCAPS Employee Self Service (ESS) Guide

NYCAPS Employee Self Service for SLPs

SLP Speech Teachers are required to share their NYS license number, NPI, and Medicaid Provider ID with the DOE by entering the data into the employee self service portal in NYCAPS. This data may be entered either all at once or piece by piece; salary differentials will not be effective until all three components are entered in full.

To begin, access the employee self service portal here: http://nyc.gov/ess

For instructions on logging into NYCAPS Employee Self Service, please click here: http://schools.nyc.gov/Offices/DHR/ESSintro.htm
Select the link for NYCAPS DOE Self Service
On the self service page, click the link titled “Medicaid Provider Info”
Enter your NPI number here. The enumeration date will populate automatically based on the federal database.

Enter your 6-digit New York State license number and issue date. Do not include the professional code (058 or 58) or any number after a hyphen.

(No note your license is expired. Please update the issue date if this is not correct.)

Enter your 8-digit New York State license number and issue date. If you do not know your issue date or are unsure, you can enter an approximate date.

(No note your Medicaid provider number is expired. Please update the issue date if this is not correct.)

Click SAVE when done.

This Side Out, 1st to 15th

No. Name: Sally Peters

Month Ending: March 31, 2017

Enter your time to the corresponding day of the month in the “EXTRA IN” and “EXTRA OUT” columns. Utilize your school’s time clock for per session worked from school.

Write “worked from home” next to any date where per session to complete encounter attendance was worked from home.

Time must reflect the actual time work started and stopped. It should not be rounded to nearest hour or minute.

Time worked beyond the allotted per session hours will not be paid.

This card with your time sheet must be submitted to the payroll secretary at your payroll school.
Speech Per Session: Frequently Asked Questions

- **Can I do SESIS encounter attendance after school and at home?**
  Yes- encounter attendance can be completed in either location.

- **Can I do IEPs at school and at home?**
  No- IEPs can only be completed from school. Time from home is for encounter attendance completion only.

- **If the system is not working, can I get paid for attempting to log on?**
  No- you will not be paid for attempting but not being able to access the system.

- **Is there a limit of the amount of hours I can work at a time?**
  There is no limit, other than you cannot exceed the total number of hours you have been allotted per the agreement. You are responsible for monitoring your total hours worked. If you are unsure how many hours you have been allotted, please contact your supervisor.

- **Can I do per session during my lunch hour at school?**
  You may not do per session during lunch.

- **What happens after I use my 20 hours and have a larger caseload of 50 students, how do I get the rest of the hours?**
  Providers with an active caseload of 31 or more students will receive a communication from their supervisor informing them of receiving an additional 20 hours. These communications will go out February 2018. Do not assume to have additional hours to work until being notified by your supervisor.

- **Do I need to hand in my log to my school secretary or does it go to my speech supervisor? Should I keep a paper log? What needs to go on the log?**
  Hand your completed time sheets and time cards together to the payroll secretary at your payroll school. Please see the attached samples for more information on how to complete the forms.

- **Do I get a time card from my school secretary or do I need to speak to my principal and get approved?**
  The payroll secretary can assist with this.

- **Do I hand in the time card and other hours monthly, or is there a special form for hours at home?**
  You can hand in the time sheet and time card once per pay period; they will be processed for approval monthly.

- **Can speech teachers do per session at multiple times on the same day?**
  No. Speech teachers should limit their per session activities to one block of time per day that they are working per session.
