General Information

DESCRIPTION OF BENEFITS

(A complete description is available in our Red Apple or on our website at: www.uftwf.org)

Who is covered?

All eligible members and dependents, as defined in the General Information section of the Red Apple, are covered for a hearing aid benefit. This benefit is in addition to any other hearing aid benefit available from a NYC Health Plan.

What is the benefit?

The Fund provides a hearing aid benefit which reimburses the member up to a maximum of \$4,000 every three years (counted from the date of your last service) for covered hearing services. Covered hearing services include a comprehensive audiological evaluation, ear impression and required visits necessary for the proper fitting/use of a hearing aid or hearing aids.

Note: If hearing aids are not dispensed, and you want to remain eligible for the entire benefit, you should pay for or submit the bill to your health insurance carrier or Medicare for the expense of the evaluation. This will assure your entitlement to a full hearing aid benefit should you require it in the future.

How are benefits obtained?

You must obtain a Hearing Aid Direct Reimbursement Form by requesting it online or by calling the Forms Hotline at 212-539-0539. This request must indicate whom the service(s) are for, so that the Fund may verify eligibility prior to issuing the Hearing Aid Form(s).

Please note: Hearing Aid Forms are not transferable. Photocopied forms will not be accepted. Hearing Aid Forms cannot be faxed.

What is the Direct Reimbursement?

Under the direct reimbursement program, you are required to pay for the full cost of the service and submit to the Fund for payment. Reimbursement will be up to a maximum of \$4,000.00 or the cost of the hearing aid(s), whichever is less.

Although the Fund only provides a direct reimbursement benefit, a list of Preferred Providers who have agreed to offer a free examination and a minimum 25% discount off the cost of a hearing aid is available.

The Preferred Provider list is available by calling the Fund Office at 212-539-0500, or from our website.

How do I get reimbursed?

1. Attach an **original itemized** receipt marked **paid** to the Hearing Aid Direct Reimbursement Form. Altered or photocopied receipts will not be accepted.
2. Complete Parts 1 and 2.
3. Sign and date Part 3.
4. Mail to the UFT Welfare Fund office. Claims must be submitted for payment no later than 90 days from the date of service.
5. The Welfare Fund also administers the Hearing Aid benefit of the UFT SHIP (Supplemental Health Insurance Plan). Claims for retirees who are also members of SHIP and eligible to receive an additional hearing aid benefit from SHIP, will have their SHIP claim automatically processed when the Fund processes its claim, unless the box for "I do not wish for the UFT Welfare Fund to process my SHIP Hearing Aid reimbursement at this time" is checked on the Hearing Aid Benefit Direct Reimbursement Form.

What is not covered under the Hearing Aid Program?

1. Charges associated with the return of a hearing aid.
2. Charges associated with repairs.
3. Charges for amplification devices (also known as Assistive Listening Devices – ALD).

Does Special Coordination of Benefits (SCOB) apply to the Hearing Aid Benefit Plan?

Yes. Members and their spouse/domestic partner who are also members are entitled to SCOB. This entitles each eligible family member to two covered services, one service under each member's benefit record. The two Hearing Aid Forms can be combined when purchasing a hearing aid. Reimbursement to the member may not exceed the actual charge for the hearing aid under SCOB.

How is this benefit affected by my Basic Health Coverage?

A patient's basic health coverage will always be primary and the United Federation of Teachers Welfare Fund hearing aid benefit secondary. However, for members and dependents who are enrolled in a NYC health plan with a hearing aid benefit, the UFT Welfare Fund will process the claim for direct reimbursement taking into account what the NYC health plan would pay. You should also file for reimbursement from the NYC health plan.

Benefits received from all available plans (e.g., the Welfare Fund, SHIP and NYC health plan) may not exceed a member's or dependent's actual out-of-pocket costs incurred for covered hearing aid services.

Please note, assignment of payment to a provider is not permitted.
