## UFT Member Assistance Program

# Bereavement Support Group

**G**rieving the loss of a loved one or colleague can be difficult and complicated. You don't have to go through it alone. Connect virtually with other members who are also experiencing a loss, whether due to COVID-19 or another cause. All groups are free and confidential.

This is a 4-week series virtual group session. We encourage members to commit to attend all four weeks to gain the most out of the group experience. Space is limited. If you're not able to attend all 4 weeks please allow for others who can at this time. Additional series will be available later in the summer.

Tuesdays from 4 – 5 p.m.  
April 13, 20, 27, May 4

**SERIES SESSION 2:**
