Re: Retiree Health Care

First and foremost, Happy and Healthy New Year to each of you.

As previously advised, the Court has directed that the City/Alliance submit bi-weekly reports as to the progress being made in educating retirees and providers as to the workings of the NYC Medicare Advantage Plus Plan. The initial report was submitted this past Friday and is attached for your information. The MLC continues to work with Alliance and City representatives to facilitate the implementation program.

Despite this progress, the rump retiree group continues to spread misleading information as to the plan provisions and the actions of the Court, most recently in a letter to Mayor Adams seeking his intervention to halt the plan. I have today written to the Mayor to correct their misstatements and to share our support for the plan. A copy of that letter is attached as well.

The Alliance remains willing to hold education sessions for your retirees. A number of Unions/Funds have sponsored them and have been pleased with their success. Please reach out to Ellen Medwid should you want one scheduled for your group.
