

Medicaid-In-Education Compliance Training for Related Service Providers and other Relevant Employees

Related service providers and other relevant staff in the following practice areas: (1) occupational therapy (OT); (2) physical therapy (PT); and (3) speech therapy must complete Medicaid-In-Education compliance training for the 2021–22 school year, mandated by New York State and the

DOE [Medicaid Compliance Plan](#), by **February 25**. Staff who are required to complete the training will be receiving individual links via an email from Alchemer (formally known as SurveyGizmo), on **January 31**; the web-based training is self-guided and requires approximately 45 minutes to complete.

Please note that all tracking for completion will be handled by the [Office of Medicaid Compliance](#). For staff who are working on-site, please support them with the time and access to a computer necessary to complete the training.

For questions, contact individual related services supervisors, or email MedicaidTrainingHelp@schools.nyc.gov.
