

## **Nominate Staff for Spring Literacy Intervention Training**

Following the Fall Literacy Intervention trainings announced in the September 24 edition of [Principals Digest](#), the DOE is continuing to provide virtual literacy intervention training dates for elementary and secondary schools to support special education recovery (SERS). Schools should use their SERS funds from [SAM #70](#) to purchase intervention materials and provide coverage for staff to attend the one-day training; additional information can be found in the March 8 edition of [Principals Digest](#). Please review the following and take appropriate action:

**Special Education Teacher:** If your school did not nominate one special education teacher to receive training during the fall sessions, please identify appropriate staff to attend grade specific full day virtual literacy training sessions from 8:30 a.m. to 2:30 p.m. between **March 30** and **April 28**, using the links below:

- [S.P.I.R.E](#) (elementary schools)
- [Sounds Sensible](#) (elementary schools)
- [Rewards](#) (secondary schools)

Schools that have not yet sent a staff member for training will be prioritized and are being asked to register as soon as possible; space is available on a first-come, first-served basis.

**Paraprofessional Training:** If your school did not nominate one paraprofessional to receive training during the fall sessions, please identify appropriate staff to attend one asynchronous training session via [Great Leaps](#).
