UFT PATHWAYS TO PARENTING WORKSHOP

The union fought for and won paid parental leave benefits for UFT-represented employees. Members no longer are forced to choose between their newborns and earning a paycheck that is critical to the well-being of their families.

Join us to learn about how to make the best use of these valuable benefits - maternity, paid parental, Family and Medical Leave Act and child care leaves.

Staten Island Borough Office
4456 Amboy Road
Staten Island, NY 10312
