Registration Procedures

“T” COURSES

ONLINE REGISTRATION FOR UFT MEMBERS:
Register through the union’s Website: www.uft.org. See online registration instructions on page 4.
The UFT Course Program is not responsible for any errors in online registration. If you are having difficulty registering, please call 212-475-3737 for assistance.

ONLINE REGISTRATION FOR NON-MEMBERS:
Non-members should call 212-475-3737 for registration assistance.

REGISTRATION FEE:
$50 payable by credit card (Visa or MasterCard only). No cash will be accepted. Registration fees are never refundable unless the UFT Course Program cancels the course.

TUITION PAYMENT:
Instructions for tuition payment will be given at the first class. Tuition is payable by check, money order or credit card. Visa and MasterCard are accepted by Brooklyn College, College of Mount Saint Vincent and New York Institute of Technology. Touro College will email payment instructions to students. No cash will be accepted.

WITHDRAWALS:
Participants wishing to withdraw from “T” courses before the first class must notify the UFT Course Program in writing. Once classes begin, participants must notify the college in writing to avoid academic consequences. Refunds are made at the college’s discretion.

BILLING ISSUES: Call a UFT Course Program assistant at 212-475-3737 during business hours.

“E” COURSES

REGISTRATION FEE:
Credit-card payments will be accepted only for the TOTAL tuition (including $50 non-refundable fee), which will be charged two weeks prior to course start date.

TUITION PAYMENT:
Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). (Tuition for undergraduate courses varies.) Students must register online at NYSUT’s Web site — http://elt.nysut.org — by credit card (American Express, Discover, MasterCard or Visa).

ONLINE COURSE TUITION PAYMENT:
Payment will be charged two weeks prior to course start date. No refunds can be made once the course begins.

TEXTBOOKS:
Textbooks for ELT courses must be purchased before the class start date directly via a bookstore of the student’s choice. For a list of required texts, please visit http://elt.nysut.org.

WITHDRAWAL & REFUND POLICY:
If a course is canceled by ELT, all paid tuition is 100% refundable.

Withdrawing from classroom courses:
• Participants who withdraw prior to the course start date will be charged a $50 administrative fee.
• Participants who withdraw at the end of the first class will receive a refund of paid tuition, less the $50 administrative fee.
• Participants who withdraw prior to the course start date must send fax to NYSUT ELT at (518) 213-6456.
• Participants who withdraw at the end of the first class must inform NYSUT ELT (see above) as well as their instructor.
• No refunds will be given after the second class.

Withdrawing from online courses:
• Participants who withdraw prior to the course start date will be charged a $50 administrative fee.
• Participants who withdraw within the first two weeks of class will be refunded half of paid tuition.
• Participants who withdraw prior to the course start date must send a fax to NYSUT ELT at (518) 213-6456.
• Participants who withdraw at the end of the first class must inform NYSUT ELT (see above) as well as their instructor.
• No refunds will be given after the second week.

READ CAREFULLY

All teachers seeking to matriculate in any college’s master's degree program must apply directly to the college, meet all requirements and be accepted by that college. Each college has discretion over which courses, if any, will be accepted toward one of its master's degrees, and also how many courses students are required to take on campus. A college may or may not accept UFT-sponsored courses that are not part of a particular master’s degree program. Be sure to check with the college so that your efforts are not wasted. The master’s degree descriptions listed here are presented to highlight each particular program’s requirements, but are not meant to substitute for the college’s own catalog. It is highly recommended that you obtain a college catalog for admission policies and procedural information.

HOW TO GET IN TOUCH

The UFT Educational Programs, including NYSUT/ELT and the UFT Course Program, are located at 52 Broadway (near Wall Street), New York, NY 10004. Please direct all mail and inquiries to that location. You can also call 212-475-3737 and ask to speak with a NYSUT/ELT or UFT Course Program assistant. Please have the following information ready when you call: UFT code, title and location of your course.

For specific information on degree or certificate programs, please consult the college’s catalog and call the contact person listed at the UFT Course Program, NYSUT/ELT or the participating college.

NOTE: All courses, locations, dates, times and tuitions may change without notice. The UFT Course Program strives to offer the most current information available before each issue’s publication deadline, but cannot be held responsible for any later changes.

General Information

Please read carefully and keep as a reference

► Course listings are grouped by category: master’s degree programs; certificate programs; post-master’s programs; graduate general education; graduate special education; graduate online education; and undergraduate. Subject areas are arranged alphabetically in each category. There are also separate listings for secretaries; paraprofessionals; UFT workshops on child abuse recognition, the needs of children with autism, and violence prevention; free UFT-sponsored stress-management workshops (Spring and Fall semesters only); and the Peer Intervention Program for tenured members who need one-on-one help in perfecting professional skills.

► The UFT Course Program and the NYSUT Education and Learning Trust offer master’s degree courses in education from various area colleges to assist teachers in obtaining initial and professional/permanent certification. See the “Master’s Degree Programs” section beginning on page 9.

► Registration for SPRING 2022 courses will only take place online. Instructions for online registration can be found on page 4.

► Colleges and universities will not allow students to continue as non-matriculants after 6, 9 or 12 credits, depending on their policies. Please check by calling the college’s education department. If you are seeking a master’s through the UFT Course Program, this information is listed in the college description under “Master’s Degree Programs” beginning on page 9 of this catalog.

► Registration fees are not refundable unless the course is canceled by the UFT Course Program.

► The deadline for receipt of registration fees is FRIDAY, FEB. 8, 2022. Keep a copy of your registration receipt for your records.

► Some courses may have different meeting times and dates. Please read all starting dates carefully. Instructors will provide a course schedule at the first class meeting.

► Course schedules and offerings are subject to cancellation based on registration.

Instructions for tuition payment will be available at the first class.

If tuition is not paid on time, some colleges impose a late fee. This may be up to $100 or more, and is determined by each college’s policy.

► If you drop a course after attending the first session, a portion of your tuition may be refunded after the UFT Course Program and the college offering the course receive written notification of your decision. The refund will be pro-rated in accordance with the established college/program policy. Processing refunds takes at least six weeks.

► Bounced checks for tuition payments will be returned by banks with an administrative fee set by the individual college/program. To maintain registration in the course, replacement payments must be made immediately with a certified check or money order only.

► Photo ID is required for admission to courses at public schools and UFT borough offices.

IMPORTANT NOTICE REGARDING DEGREE & CERTIFICATE PROGRAMS

Descriptions of degree and certificate programs have been provided to the UFT Course Program by the collaborating colleges or universities. Any problems, issues or concerns regarding this information or your academic status must be addressed there and not to the UFT. The UFT Course Program does not grant credit; only the collaborating colleges and universities can do so.

PROOF OF IMMUNIZATION REQUIRED

Students born on or after Jan. 1, 1957 are required to provide the college with proof of immunization from measles, mumps and rubella by the start of classes.
Promoting Professionalism
UFT Educational Programs lead the way

When it comes to expanding the knowledge and skills of UFT members, no one does it better than the UFT Educational Programs. They include:

- UFT Teacher Center.
- NYSUT Education and Learning Trust.
- UFT/Department of Education Peer Intervention Program.
- UFT Stress Management Workshops (Spring and Fall semesters only).
- UFT TeacherLine.

Mandated Workshops on:
- Child Abuse Recognition.
- The Needs of Children with Autism.
- Violence Prevention.
- Dignity For All Students Act (DASA): Training in Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention

The NYSUT Education and Learning Trust and the UFT Course Program offer a wide variety of no-nonsense, hands-on, credit-bearing courses taught by savvy classroom teachers at sites citywide. These courses can be used to meet state certification, to achieve salary differentials or to enhance your professional growth.

The UFT Teacher Center also has school-based consultants who provide day-to-day professional support in schools throughout the city. Through local resource centers full of instructional materials, they work with individual UFT members as well as with programs and entire schools, providing workshops, planning sessions, coaching and other support activities.

New York State requires all teachers who are seeking initial certification to take four workshops. One is on recognizing the signs of child abuse and learning how to report it; another is on preventing violence in schools; the third is on the needs of children with autism; and the fourth is on prevention and intervention against bullying. Visit www.uft.org for workshop scheduling.

Knowing how tough it can be getting through a day in our schools, the union’s Stress Management Workshops provide tuition-free courses for members (Fall and Spring semesters only).

Finally, the union worked long and hard with the NYC Department of Education to create the Peer Intervention Program through a section in our contract. PIP helps tenured, appointed teachers improve their classroom skills with confidential, one-on-one assistance in participants’ own schools. Admission is by application only. See page 35 for details.

IMPORTANT NOTICE TO ALL TEACHERS APPLYING FOR NYS INITIAL CERTIFICATION

In addition to other regulations, the state requires teachers to attend workshops on:

- Child Abuse Recognition And Reporting (two hours)
- The Needs of Children With Autism (three hours)
- Violence Prevention (two hours)
- Dignity for All Students Act (six hours)

Getting Credit

Here are answers to several common questions the UFT Course Program receives:

- If you are in a master’s or doctoral program, you should check with your college to verify that it will accept particular courses in this educational supplement for credit toward your degree.
- Only the NYS Education Department can tell you which of these courses will meet your individual certification requirements. Although the state has approved all of these courses, that does not mean that every course will satisfy your particular requirements, so we urge you to contact the State Education Department at 518-474-3901 or TCERT@mail.nysed.gov.
- The NYS Education Department often updates certification requirements. Most classroom teaching certificates require three semester hours in methods of teaching reading. Many require additional semester hours in teaching literacy skills. Each individual evaluation form will give the amount of literacy course work required beyond the three semester hours needed in methods of teaching reading. You may select reading courses listed in this catalog.
- Although all of these graduate-level courses carry college credit, courses offered by the UFT Course Program do not, in and of themselves, lead to a graduate degree, with these exceptions:

It is important to note that students must apply formally to the college, meet all requirements, and be accepted for matriculation into the college’s master’s degree program.
## How to Use This Calendar

Read each course listing carefully. Note the day of the week the course runs on, the starting date and the number of sessions scheduled.

Then, in the table below, find that day of the week and follow the dates that are listed in its column.

For example, a Tuesday course that starts on 3/1 and runs for 12 sessions will meet on:

If a course doesn’t follow this schedule, a note will be included in the description.

### Note

No classes will be held on these dates:

- **Spring Recess:** April 15-22, 2022
- **Passover:** April 17 & 21
- **Eid al-Fitr:** May 2, 2022
- **UFT Spring Conference:** May 21, 2022
- **Memorial Day:** May 30, 2022
- **Juneteenth:** June 20, 2022

**Touro College Students:**

In addition to the dates listed above, Touro College courses will **NOT** meet on:

- **Purim:** March 16 & 17
- **Shavuot:** June 5 & 6

Touro courses do not meet on Friday evenings or Saturdays.

PROOF OF IMMUNIZATION REQUIRED

Students born on or after Jan. 1, 1957 are required to provide the college with proof of immunization from measles, mumps and rubella by the start of classes.
The NYSUT Education and Learning Trust, in collaboration with Mercy College, invites you to participate in a 15-credit (maximum) program designed to lead to one of several different Master of Science in Education degrees from Mercy College as well as certification from the New York State Education Department. These courses may lead to a Master of Science degree and certification in one of the following programs:

- Master of Science in Early Childhood Education, Birth-Grade 2
- Master of Science in Childhood Education, Grades 1-6
- Master of Science in Adolescence Education, Grades 7-12
- Master of Science in Teaching English to Speakers of Other Languages (TESOL)

Program participants have an opportunity to earn up to 15 education credits and apply successfully completed courses toward a Mercy College master's degree. NYSUT/ELT offers these courses as part of a diverse degree program. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822), which includes a $50 registration fee. There will be a $50 administration fee for cancelling your participation in a class. Students will be charged 2 weeks prior to the start of class.

Be mindful: New York State regulation (effective Fall of 2016) requires that all graduate schools of education use a standardized test as part of the admission process. If you are planning to matriculate into a Graduate Education Program, you will have to take the Graduate Record Examination (GRE) in order to meet this new regulation.

Once students matriculate into Mercy College, the remaining course work must be completed at one of the Mercy College campuses: Bronx, Manhattan, Dobbs Ferry or Yorktown, N.Y. In addition, courses may not be taken simultaneously through the UFT and at Mercy College.

On-campus reduced tuition rate

Students who enter the NYSUT/ELT master’s program at Mercy College are entitled to a one-third tuition scholarship, based upon the existing tuition rate. Currently, students who are entitled to this reduced tuition rate are paying $1,612 per 3-credit course. Tuition rates are subject to change and apply successfully completed courses toward a Mercy College master’s degree or Advanced Certificate Program, they are on a financial hold with Mercy College, or they were academically dismissed by Mercy College.

Students are not eligible to register for a Mercy sponsored course through NYSUT ELT or UFT if:

- they have already completed 15 Mercy College credits through NYSUT ELT or UFT,
- they are currently matriculated into a Mercy College degree or Advanced Certificate Program,
- they were academically dismissed by Mercy College.

EDUC 500 • EDUCATIONAL FOUNDATIONS FROM DIVERSE PERSPECTIVES—Mercy College • This course offers a critical overview of the forces (historical, legal, financial, organizational, and philosophical) that provide the foundation of education. It will allow students to examine, debate and speculate about the controversies that impact schools and teachers, now and into the future. These basic concepts of education are examined from the diverse perspectives of race, gender, disabilities, and language learners. Aspects of education such as funding, instructional strategies, and due-process procedures will be examined for their impact on social justice concerns such as equity and access, alternative ways of knowing, funds of knowledge, and other cultural factors as they impinge on the learning process. The role of the teacher as facilitator of critical thinking and as promoter of socially responsible action in the society will be considered. 3 credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822 which includes a $50 registration fee).

HIGHLIGHTS OF THE MSIT FOR EDUCATORS PROGRAM

This master’s program in Instructional Technology develops expertise in the use of leading-edge media and technology for teaching and learning. Graduates of the program become master teachers in P–12 classrooms, or school or district instructional technology leaders, staff developers and curriculum designers. Initial courses enhance teachers’ expertise with a wide range of media and applications and set the stage for understanding how instructional technology can fulfill its potential to Entice, Encourage, Enable and Empower learners. Building on theories of learning, motivation and curriculum design, teachers next learn to apply newly developed technology skills in language arts, social studies, math, science and technology curricular content. An innovative action research project caps the experience as participants join the small number of certified educational technology specialists in New York State.

About the Instructional Technology program:
- Aligned with the latest National Educational Technology Standards (NETS) for Coaches from the International Society for Technology in Education (ISTE)
- Candidates are prepared to be coaches and professional developers who design and provide building- and district-level PD using instructional technologies
- Degree requirements have been streamlined (33 credits) and total tuition costs remain competitive
- All courses have been updated to meet the latest curricular standards and reflect cutting-edge approaches to using technology in diverse K-12 classrooms
- New elective courses are now available
- State required field experience hours (50) are consolidated into a new Practicum and Seminar course

The program offers:
- A 33-credit Master of Science degree in Instructional Technology
- Eligibility for NYS certification as an Educational Technology Specialist
- Eligibility for permanent or professional certification in first certificate area
- Opportunity to become proficient in the use of leading-edge technology
- Professional development for leadership in applying educational technology
- Experience with tools for problem-solving and communication in the PreK-12 setting
- Expertise in integrating technology and standards in the PreK-12 curriculum
- Exciting learning environments with practitioner instructional technology faculty
- Option for non-certified educators/others interested in technology in teaching and learning

For further details, contact Erin Fabian of NYIT at efabian@nyit.edu, or call 212-261-1529 for an appointment.

MASTER OF SCIENCE IN SCHOOL COUNSELING (GUIDANCE) – 60 CREDITS

NYIT COLLEGE OF ARTS AND SCIENCES

New York Institute of Technology, in collaboration with the UFT Course Program, offers a master’s degree in School Counseling nationally accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP). The program now offers 2 or 3 year completion options and consists of online, blended, and face-to-face classes. Field experience and technology are used in creative and meaningful ways, starting with the first course. NYIT schedules information sessions each spring. Successful candidates will be admitted to the fall semester.

The mission of the School Counseling master’s program is to prepare culturally competent and skilled school-counseling professionals to meet the growing needs of K-12 students in today’s schools. The competency-based school counseling program prepares professional school counselors to deliver comprehensive programs that promote success for all students (PreK-12) in the areas of academic, career and personal/social development. Through advocacy, collaboration and teamwork, leadership, individual and group counseling interventions and use of data and technology, NYIT school counselor candidates will be prepared to support, promote and enhance student achievement and success in school. Unique in its cross-disciplinary approach, candidates in school counseling share core courses with mental health and teacher education students.

ADMISSIONS

• Applicants are encouraged to contact the program coordinator and attend an information session. These are scheduled periodically.
• For full matriculation applicants are admitted for the Fall and Spring semesters.
College graduates may enter from a variety of backgrounds including, but not limited to: education, the helping professions, business and industry. The GRE might be required, based on GPA. Please contact the department for more information.

Admission to the program has two distinct components: fulfilling the requirements for admission to the NYIT graduate program and completing a departmental admissions portfolio. The portfolio includes three reference forms, a professional goals statement and an individual/group interview. Additional information may be found on the School Counseling website: http://www.nyi.edu/degrees/school_counseling.

**TOURO COLLEGE**

Descriptions of these degree and certificate programs have been provided to the UFT Course Program by the collaborating college or university. Any problems, issues or concerns regarding this information or your academic status must be addressed there, and not to the UFT. The UFT Course Program does not grant credit; only the collaborating colleges and universities can do so.

**REGISTRATION PROCEDURES** See page 4

**Tuition is Subject to Change**

**IMPORTANT NOTICE:** Current Touro matriculated students or students who have been taking courses at Touro College cannot register for these off-campus courses. Students who are planning to take off-campus courses and then matriculate cannot register for courses offered directly by Touro.

The UFT Course Program has collaborated with Touro College to offer three master’s programs leading to Master of Science in Education and Special Education or Master of Science in Special Education.

All of these programs have been approved by the Department of Education.

While you are taking courses through the UFT Teacher Center, your Touro adviser is Dr. Yuriy Karpov. For an appointment, email Jennifer Malagoli at jennifer.malagoli@touro.edu.

**MASTER OF SCIENCE IN EDUCATION AND SPECIAL EDUCATION**

Touro College, in conjunction with the UFT Course Program, is offering three master’s programs leading to New York State Teacher certification in both Education and Special Education:

**MASTER OF SCIENCE IN EDUCATION AND SPECIAL EDUCATION, GRADE 1-6 – 36 CREDITS**

The Childhood program offers study of childhood development and the learning and teaching processes in grades 1-6. This program leads to NYS Initial or Professional Teacher Certification in childhood education (grades 1-6) and teaching students with disabilities (grades 1-6) upon graduation from the program and completion of all NYS Education Department (NYSED) requirements, including passing grades on NYSED teacher certification examinations. NYS Professional Teacher Certification is awarded after three full years (September-June) of full-time teaching experience.

**MASTER OF SCIENCE IN EDUCATION AND SPECIAL EDUCATION, BIRTH-GRADE 2 – 36 CREDITS**

The Early Childhood program offers study of early childhood development, early intervention, and learning and teaching processes in preschool, kindergarten and primary grade levels. This program leads to NYS Initial or Professional Teacher Certification in early childhood education (birth-grade 2) and teaching students with disabilities (birth-grade 2) upon graduation from the program and completion of all NYS Education Department (NYSED) requirements, including passing grades on NYSED teacher certification examinations. NYS Professional Teacher Certification is awarded after three full years (September-June) of full-time teaching experience.

**CONTINUED**
MASTER OF SCIENCE IN SPECIAL EDUCATION, GRADE 7-12 – 42 CREDITS

The program in teaching students with disabilities at the grade 7-12 level offers study of adolescent development and learning and teaching processes, particularly as they pertain to students with disabilities at the grade 7-12 level. This program leads to New York State Initial or Professional Teacher Certification in teaching students with disabilities, generalist, grades 7-12, upon graduation from the program and completion of New York State Education Department (NYSED) requirements, including receipt of passing grades on NYSED teacher certification examinations and a three-hour workshop on autism. NYS Professional Teacher Certification is awarded after three full years (September - June) of full-time teaching experience.

PROGRAM REQUIREMENTS

General core courses

Initially, non-matriculated students must take the following five general core courses (15 credits) at $600 per 3-credit course (plus a $50 registration fee), as offered through the UFT’s “T” program of study:

**TEXTBOOKS FOR NYSUT/ELT COURSES**
- Must be purchased before the class start date
- Directly via a bookstore of the student’s choice.

NYSUT/ELT runs many online courses. Please check [http://elt.nysut.org](http://elt.nysut.org) for additional information.
ACHIEVEMENT AND GROWTH

**ONLINE CURI 6522 - MAXIMIZING THE LEARNING ENVIRONMENT FOR INCREASED STUDENT ACHIEVEMENT AND GROWTH—SUNY Empire State College** • This course addresses the fundamental aspects of teaching and learning that are relevant for education in all grade levels and subject areas. It examines proven practices for many of the indicators on state and district-wide teacher evaluation rubrics. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). A $30 technology fee will be charged the first day of class.

**ADOLESCENT DEVELOPMENT**

**ONLINE CURI 6502 - ADOLESCENT LITERACY GRADES 7-12—Empire State College** • This course is designed for classroom teachers in grades 7-12 as well as individuals interested in adolescent literacy. As the course progresses, students will take an in-depth look at what adolescent literacy looks like in the 21st century American classroom, including increased awareness of Common Core Standards as they apply to content area literacy instruction. The role literacy plays in how adolescents construct meaning of the world, and their place in it will forefront instruction, discussions, and assignments. Literacy is no longer the sole responsibility of the reading and English teacher. Research has shown that elevating literacy levels enhances the learning and performance of learners in all of the content areas. It is difficult for students to succeed in any content area if they cannot read instructions, interpret word problems, write up the results of a lab report, or interpret visual texts. Strategies and motivational techniques that encourage native English speakers and students who are learning English as a New Language to develop and refine their proficiency in reading, writing, speaking, listening, and viewing, both in school and in out of school settings, will be explored. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). A $30 technology fee will be charged the first day of class.

**BEHAVIOR ANALYSIS**

**ONLINE UNY 807 - APPLIED BEHAVIOR ANALYSIS—Adelphi University** • This course provides teachers and support staff with the information, tools, and skills needed to prevent anti-social behavior and/or to manage behavior when it arises. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). A $30 technology fee will be charged the first day of class.

**BILINGUAL EDUCATION**

**ONLINE SPED 6045 - THEORY AND PRACTICE OF BILINGUAL EDUCATION—Mercy College** • This course is designed to prepare bilingual and ESOL teachers to successfully work with language-minority students in the context of bilingual/ESL programs. It includes the study of the historical, psychological, social, cultural, political, theoretical, and legal foundations of bilingual education programs in the United States. Students will examine and analyze different bilingual program models so that they may apply such knowledge to the implementation of pedagogically effective practices for second language learners using both the L1 and L2, in curriculum implementation. Communication with parents and families, concerning students’ academic and social outcomes will be high-lighted. In addition, the use of community resources, programs and services to effectively improve instruction in bilingual programs will be discussed. 10 hours of fieldwork required. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course.

### BULLYING

**CURI 6506 • BULLYING: PREVENTING THE PROBLEM—SUNY Empire State College** - This course will explore and discuss critical perspectives on school-community relationships and has been designed to provide enough variety in the reading, activities, reflections, and discussions so that each participant should find practical value in the diversity of perspectives. The final project will be a portfolio of issues and activities that relate to a model of one’s choice, combined with an action plan. **Students are required to purchase their own textbooks and materials (information will be available at time of online registration).** 3 graduate credits. ### UNDERGRADUATE COLLEGE COURSES

#### SUMMER 2022

**EDU 671 • ENCOURAGING STUDENT RESPONSIBILITY & DISCIPLINE—College of St. Rose** - This course examines the classroom environment encountered by most teachers today. Participants explore classroom management techniques and instructional strategies that address students’ social and academic needs. Specific behavioral theories are analyzed in terms of their application in the classroom and their effectiveness in developing positive interpersonal skills in students. Practical approaches to behavior issues, violence in schools, attention-deficit disorder, and inclusive classrooms are addressed in all course activities. **Students are required to purchase their own textbooks and materials (information will be available at time of online registration).** 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). A $30 technology fee will be charged the first day of class.

**UFT CODE: E38.4 Session 2  DATES: 6/20/22 – 8/12/22**

**SED 661 • COOPERATIVE LEARNING FOR STUDENTS WITH SPECIAL NEEDS—College of St. Rose** - This course focuses on promoting student achievement and development in a collaborative learning community. Communication skills for effective teaching in an inclusive or special education setting are described, modeled and then practiced by course participants. Through the lens of cooperative learning, participants will focus on the following topics: curriculum development, planning and behavior management, instructional planning and differentiating instruction. Improving students’ social competence and the acquisition of functional living skills will be explored. In addition, participants will demonstrate effective collaboration among teachers and other professionals and discover ways to establish partnerships with families and communities. **Students are required to purchase their own textbooks and materials (information will be available at time of online registration).** 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). A $30 technology fee will be charged the first day of class.

**INSTRUCTIONAL STRATEGIES**

**CURR 6516 • DEVELOPING INNOVATORS AND INNOVATION SKILLS—SUNY Empire State College** This course focuses on developing innovation capabilities in students by exploring the discovery skills of associating, questioning, observing, networking, and experimenting. Participants learn how to create a culture of innovation and provide learning opportunities that promote perseverance, encourage curiosity, and ignite intrinsic motivation. Participants explore resources, strategies, and ideas for designing content-based lessons that incorporate discovery skills and foster the behaviors students need to be innovation-ready. Students are required to purchase their own textbooks and materials (information will be available at time of online registration). 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). **CURR 6528 • THE 21ST CENTURY CLASSROOM: HOW PROBLEM-BASED LEARNING WITH TECHNOLOGY CAN TRANSFORM STUDENT LEARNING—SUNY Empire State College** This practical course is designed to enable K-12 educators to synthesize new frames that support highly effective teaching (APPR), the 21st Century Skills, the Learning Standards, existing research on best instructional practices, technology use and assessment into a high performing classroom that can transform their students’ learning and ready students for college and career success in a global, digital world. The course shows educators the practical “how-to” create innovative but easy to implement, standards-aligned project-based learning units that integrate intuitive digital tools into daily differentiated instruction. Participants will “learn by doing” in the same manner to be expected of students in a 21st Century Classroom. Participants will exit the course having designed three increasingly complex PBL with Technology units (PBL-T) and the ability to create additional PBL-T units for a single discipline or across disciplines. The aim of each standards-aligned unit is to increase student achievement simultaneously with the development of student’s 21st Century skills beyond traditional gains from more conventional, factory model methods. Students are required to purchase their own textbooks and materials (information will be available at time of online registration). 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). **INNOVATION**

**CURR 6504 • BUILDING MATHEMATICAL UNDERSTANDING FOR GRADES 3–5—Empire State College** This course is intended to help those who teach mathematics in Grades 3-5 understand the mathematical content, how mathematical ideas develop, and how to implement successful teaching practices that make it more likely for students to grasp and be comfortable with mathematics. The course includes research findings on which the teaching of solid mathematics is based. It highlights teacher practices that researchers found to be associated with greater learning of mathematics and that teachers found to be relevant and vital for teaching mathematics in all grades K-12, with a focus on grades 3-5. The course aligns the Ten Principles of Thinking Mathematics, the NYSP-12 Common Core Learning Standards for Mathematics, the Standards of Mathematical Practice and the National Research Council’s Strands of Mathematical Proficiency, all vital frameworks for teaching mathematics. The research behind these principles is explained with models and explanations from within multiplicative structures and discusses the implications for teaching multiplication and division, which is the essence of the work of Grades 3-5. Students are required to purchase their own textbooks and materials (information will be available at time of online registration). 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). A $30 technology fee will be charged the first day of class.

### LITERACY

**EDUC 590M - THE 21ST CENTURY CLASSROOM: HOW PROBLEM-BASED LEARNING WITH TECHNOLOGY CAN TRANSFORM STUDENT LEARNING—Mercy College** - The interrelationship of teaching and writing are examined. Process writing and interactive methodologies will be reviewed. Emphasis will be placed on defining and describing the interactive writing process within the broader language and literacy. **Please note:** 10 hours field work is required for those students planning on matriculating into Mercy College to receive Master’s and/or Advanced Certificate in Literacy. These logs serve as a chance for self-reflection, self-assessment, and conversation with others as they examine literacy practices and issues. Students are required to purchase their own textbooks and materials (information will be available at time of online registration). 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). ### MATH EDUCATION

**CURI 6504 - BUILDING MATHEMATICAL UNDERSTANDING FOR GRADES 3-5—Empire State College** - For course description and listings, see under Graduate Education Online Learning, Innovation.

**EDC 663 - MATH MADE MEANINGFUL—College of St. Rose** - This course is designed to help participants help children learn mathematical concepts and skills, including most importantly, problem-solving skills. The course is divided into three parts. The first part provides learning theories as a base for understanding the foundations of mathematics curriculum and how children learn it. It also helps participants apply the learning theories to help children develop foundations of number sense and problem solving. The second part discusses teaching strategies for computational procedures in whole number, fractions and decimals. The third part focuses on investigation and process skills of mathematics including estimation, measurement, geometry and spatial skills. **Students are required to purchase their own textbooks and materials (information will be available at time of online registration).** 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). EDC 686 • INCREASING MIDDLE-LEVEL MATH — College of St. Rose

This course enables participants to develop mathematics curricula which are coherent, focused on problem-solving and articulated across grade levels. Based upon National Council of Teachers of Mathematics standards, this course explores four major themes: 1. Fundamentals of mathematics; 2. Solving problems through concepts and computations; 3. Investigations and process skills; 4. Algebra and functions. Participants are able to help students develop a comprehensive understanding of mathematics and recognize its relevance to everyday life. This is an education course; it does not give credit in math.

Students are required to purchase their own textbooks and materials (information will be available at time of online registration). 3 graduate credits. EDC 679 • MIDDLE-LEVEL EDUCATION: FOUNDATIONS FOR MIDDLE YEARS—College of St. Rose

This is an all-encompassing course that addresses myriad concerns that emerge for early adolescents as they bridge the gap between elementary school and senior high school. Delineated in the course work are robust definitions about middle-level education as a particular and unique aspect of K-12 schooling. In describing who that middle-level student is, characteristics are described, critical transformations are explained and generalizations emerge for the middle-level educator. In addition, attention is given to six critical attributes of the traditional middle school concept, including: clustering students (houses or families), core teaching teams, blocks of time, advisor/advisory program, interdisciplinary curriculum, and a recent addition to the original elements, peer mediation. In closing, the course highlights the varied yet critical roles of middle-level advocates from teachers and parents to administrators and community leaders. Students are required to purchase their own textbooks and materials (information will be available at time of online registration). 3 graduate credits. Tuition for graduate courses is $1,370 per 3-credit course. A discount of 40% is applicable to active dues-paying UFT/NYSUT members (currently $822). A $30 technology fee will be charged the first day of class.

The Peer Intervention Program (PIP) helps tenured teachers to:

- strengthen their performance
- enhance their skills and knowledge
- think critically about how to improve their practice

The UFT, in partnership with the NYCDOE, created PIP to support eligible teachers grow in their profession. Participants in PIP will receive one-on-one support from an experienced colleague for up to one year. PIP tailors its support to each individual’s needs and strengths.

Participation in PIP is non-evaluative, voluntary and confidential.

The goal of PIP is to help teachers become more effective in their practice and to provide the best education for the students of New York City.

Apply online at www.uft.org/pip or call 212-844-0600
Are you a paraprofessional in the New York City Department of Education?

Are you thinking about advancing as a para, becoming a classroom teacher, or earning a bachelor’s degree in an education-related field such as social work, psychology or human services?

Are you ready to take advantage of free tuition through the UFT Career Training Program? Launch your teaching career at CUNY—the leading preparer of teachers in New York City, offering hundreds of degree options in high-quality programs across all five boroughs.

Our community colleges offer certificates and 60-credit associate degrees in education that prepare you for the education workforce or for transfer to four-year colleges. Our advisors can help ensure you take the right courses to transfer as many credits as you can and graduate as soon as possible!

All CUNY community colleges have transfer agreements with CUNY four-year colleges as well as other four-year institutions within New York City.

MANDATED WORKSHOPS
FOR NEW EDUCATORS

CHILD ABUSE RECOGNITION & REPORTING

The New York State Education Department requires all educators who are seeking initial or professional state certification to take a workshop in how to recognize and report suspicion of child abuse. It covers definitions of child abuse, indications that it has happened, and which procedures you should follow if you suspect that one of your students has been abused. This workshop is a one-day, two-hour session and meets requirements for NYS certification. All workshops begin promptly at the starting times. New York State mandates that you must be present at the start of the workshop in order to receive the state certification. No late admission will be permitted. Register online at www.uft.org.

For further details, call a UFT Course Program assistant at 212-475-3737.

DIGNITY FOR ALL STUDENTS ACT (DASA)

TRAINING IN HARASSMENT, BULLYING, CYBERBULLYING, AND DISCRIMINATION IN SCHOOLS: PREVENTION AND INTERVENTION

All NEW teachers and school-related professionals applying for NYS certification must take this state-mandated workshop. The goals of this workshop are to: • Understand the intent, components and operational definitions of the Dignity Act • Develop sensitivity to the experience of specific student populations • Understand how school climate and culture have an impact on student achievement and behavior • Understand bullying, harassment and discrimination, including indicators, early warning signs, prevention and intervention and how to interact with families of victims and aggressors • Understand diversity and multi-cultural environments and examining your own biases. This workshop meets the Dignity for All Students Act (DASA) training requirement of the NYS Education Department for state certification. Enrollment is limited. Register online at www.uft.org. All fees, payable to the UFT, are NON-REFUNDABLE.

For further information, call 212-701-9413.

THE NEEDS OF CHILDREN WITH AUTISM

The New York State Education Department requires all teachers who are seeking initial or professional state certification in special education to take a three-hour workshop in the needs of children with autism. It covers definitions, etiology, prevalence, characteristics, evidence-based instructional methods/interventions, behavior management and positive behavioral supports, effective collaboration and resources and supports.

This workshop is a one-day, three-hour session and meets the requirements for New York State certification. All workshops begin promptly at the scheduled starting time. New York State mandates that you must be present at the start of the workshop in order to receive a certificate of completion. No late admission will be permitted. Register online at www.uft.org.

For further details, call a UFT Course Program assistant at 212-475-3737.

VIOLENCE PREVENTION

All teachers applying for NYS certification must take this state-mandated two-hour workshop. School staffers can use techniques and practical approaches to avoid and defuse violent situations in school. This workshop gives participants an understanding of the dynamics of assaultive, aggressive behavior and tools to avoid becoming victimized in school. This workshop meets the violence prevention training requirement of the NYS Education Department for state certification. Enrollment is limited to 35 participants. Register online at www.uft.org. All fees, payable to the UFT, are NON-REFUNDABLE.

For further information, call 212-701-9413.
