COLLEGE FAIR

Wednesday, Sept. 5, 2018 • 4-6 p.m.

UFT Headquarters, 52 Broadway, Manhattan

The UFT Course Program and the NYSUT Education and Learning Trust invite you
to reserve this important date to meet with representatives of most sponsoring
colleges offering master's degree programs for teachers.

Explore all the available opportunities in low-cost, conveniently located courses
leading to degrees in education, liberal studies, literacy, technology, TESOL,
professional studies and educational administration.

At this college fair we have invited representatives from Brooklyn College, College
of Mount St. Vincent, Mercy College, New York Institute of Technology, and Touro
College to participate and provide information about the different programs and
answers to your questions. Application packets will also be available.

**HOW TO USE
THIS CALENDAR**

Read each course listing carefully. Note the day of the week the course runs on, the starting date and the number of sessions scheduled. Then, in the table below, find that day of the week and follow the dates that are listed in its column.

For example, a Tuesday course that starts on 9/25 and runs for 12 sessions will meet on:

9/25, 10/2, 10/9, 10/16, 10/23, 10/30, 11/6, 11/13, 11/20, 11/27, 12/4 and 12/11

If a course doesn't follow this schedule, a note will be included in the description.

**NOTE:
NO CLASSES WILL
BE HELD ON THESE DATES:**

ROSH HASHANAH
SEPT. 9-11, 2018

YOM KIPPUR
SEPT. 18-19, 2018

COLUMBUS DAY:
OCT. 8, 2018

TEACHER UNION DAY:
NOV. 4, 2018

THANKSGIVING RECESS:
NOV. 21-25, 2018

WINTER RECESS:
DEC. 21, 2018 - JAN. 1, 2019

MARTIN LUTHER KING JR. DAY:
JAN. 21, 2019

**ATTENTION,
TOURO COLLEGE
STUDENTS:**

In addition to the dates listed above, Touro College courses will NOT meet on:

SEPT. 23, 24, 25, 30
OCT. 1-2

Touro courses do not meet on Friday evenings or Saturdays.

BILLING ISSUES: Call a UFT Course Program assistant at 212-475-3737 during business hours.

"E" COURSES

REGISTRATION FEE: Credit-card payments will be accepted only for the TOTAL tuition (including \$50 non-refundable fee), which will be charged two weeks prior to course start date.

TUITION PAYMENT: Tuition for graduate courses is \$1,200 per 3-credit course. A discount of 33% is applicable to active dues-paying UFT/NYSUT members (currently \$804), which includes a \$50 registration fee. (Tuition for undergraduate courses varies.) Students must register online at NYSUT's Web site — www.nysut.org/elt — by credit card (American Express, Discover, MasterCard or Visa).

TEXTBOOKS for ELT courses must be purchased before the class start date directly via a bookstore of the student's choice. For a list of required texts, please visit www.nysut.org/elt.

ONLINE COURSES require payment to be made in full at the time of registration. No refunds can be made once the course begins.

WITHDRAWAL & REFUND POLICY:

If a course is canceled by ELT, all paid tuition is 100% refundable.

Withdrawing from classroom courses:

- Participants who withdraw prior to the course start date will be charged a \$50 administrative fee.
- Participants who withdraw at the end of the first class will receive a refund of paid tuition less the \$50 administrative fee.
- Participants who withdraw prior to the course start date must send an email to NYSUT ELT at eltmail@nysutmail.org or a fax to (518) 213-6456.
- Participants who withdraw at the end of the first class must inform NYSUT ELT (see above) as well as their instructor.
- No refunds will be given after the second class.

Withdrawing from online courses:

- Participants who withdraw prior to the course start date will be charged a \$50 administrative fee.
- Participants who withdraw within the first two weeks of class will be refunded half of paid tuition.
- Participants who withdraw prior to the course start date must send an email to NYSUT ELT at eltmail@nysutmail.org or a fax to (518) 213-6456.
- Participants who withdraw at the end of the first class must inform NYSUT ELT (see above) as well as their instructor.
- No refunds will be given after the second week.

- **Course listings are grouped by category:** master's degree programs; certificate programs; post-master's programs; graduate general education; graduate special education; graduate online education; and undergraduate. Subject areas are arranged alphabetically in each category. There are also separate listings for secretaries; paraprofessionals; UFT workshops on child abuse recognition, the needs of children with autism, and violence prevention; free UFT-sponsored stress-management workshops (Spring and Fall semesters only); and the Peer Intervention Program for tenured members who need one-on-one help in perfecting professional skills.

- **The UFT Course Program and the NYSUT Education and Learning Trust** offer master's degree courses in education from various area colleges to assist teachers in obtaining initial and professional/permanent certification. See the "Master's Degree Programs" section beginning on page 7.

- **Use a separate registration coupon for each course you select.** If you want to register for more than one course, duplicate the appropriate program's blank registration coupon. It is important to designate a second choice on registration coupons in case your first course/section has been fully registered or canceled.

- **Be sure to write the course title, UFT course code, the college number and the class meeting location** on your registration coupon. This will help minimize errors. The UFT code is in a column immediately below each course description. The college number is included at the beginning of each course description. Remember that each course needs a separate registration coupon; duplicate the appropriate program's blank coupon if you are taking more than one course.

- **Colleges and universities will not allow students to continue as non-matriculants** after 6, 9 or 12 credits, depending on their policies. Please check by calling the college's education department. If you are seeking a master's through the UFT Course Program, this information is listed in the college description under "Master's Degree Programs" beginning on page 7 of this catalog.

- **Registration fees are not refundable** unless the course is canceled by the UFT Course Program.

- **Although we urge you to register online or by mail**, in-person registration will be accepted at UFT Headquarters in Manhattan on specific dates. See page 3 for dates, times and locations.

- **The deadline for receipt of registration fees and coupons is Wednesday, Sept. 5, 2018.** Keep a copy of your registration coupon for your own records.

- **Some courses may have different meeting times and dates.** Please read all starting dates carefully. Instructors will provide a course schedule at the first class meeting.

- **Course schedules and offerings are subject to cancellation** based on registration.

- **If you drop a course after attending the first session**, a portion of your tuition may be refunded after the UFT Course Program and the college offering the course receive written notification of your decision. The refund will be prorated in accordance with the established college/program policy. Processing refunds takes at least six weeks.

- **Bounced checks for tuition payments** will be returned by banks with an administrative fee set by the individual college/program. To maintain registration in the course, replacement payments must be made immediately with a certified check or money order only.

- **Photo ID is required** for admission to courses at public schools and UFT borough offices.

Photo ID is required for admission to courses at public schools and UFT borough offices.

READ CAREFULLY

All teachers seeking to matriculate in any college's master's degree program must apply directly to the college, meet all requirements and be accepted by that college.

Each college has discretion over which courses, if any, will be accepted toward one of its master's degrees, and also how many courses students are required to take on campus.

A college may or may not accept UFT-sponsored courses that are not part of a particular master's degree program. Be sure to check with the college so that your efforts are not wasted.

The master's degree descriptions listed here are presented to highlight each particular program's requirements, but are not meant to substitute for the college's own catalog.

It is highly recommended that you obtain a college catalog for admission policies and procedural information.

If tuition is not paid before or at the first class, some colleges impose a late fee. This may be up to \$100 or more, and is determined by each college's policy.

HOW TO GET IN TOUCH

The UFT Educational Programs, including NYSUT/ELT and the UFT Course Program, are located at 52 Broadway (near Wall Street), New York, NY 10004. Please direct all mail and inquiries to that location.

You can also call 212-475-3737 and ask to speak with a NYSUT/ELT or UFT Course Program assistant. Please have the following information ready when you call: UFT code, title and location of your course.

For specific information on degree or certificate programs, please consult the college's catalog and call the contact person listed at the UFT Course Program, NYSUT/ELT or the participating college.

PROOF OF IMMUNIZATION REQUIRED

Students born on or after Jan. 1, 1957 are required to provide the college with proof of immunization from measles, mumps and rubella by the start of classes.

NOTE: All courses, locations, dates, times and tuitions may change without notice. The UFT Course Program strives to offer the most current information available before each issue's publication deadline, but cannot be held responsible for any later changes.

PROMOTING PROFESSIONALISM

UFT Educational Programs lead the way

When it comes to expanding the knowledge and skills of UFT members, no one does it better than the UFT Educational Programs. They include:

- ♦ **UFT Teacher Center.**
- ♦ **NYSUT Education and Learning Trust.**
- ♦ **UFT/Department of Education Peer Intervention Program.**
- ♦ **UFT Stress Management Workshops (Spring and Fall semesters only).**
- ♦ **UFT TeacherLine.**
- ♦ **Mandated Workshops on:**
 - **Child Abuse Recognition.**
 - **The Needs of Children with Autism.**
 - **Violence Prevention.**
 - **Dignity For All Students Act (DASA): Training in Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention**

The NYSUT Education and Learning Trust and the UFT Course Program offer a wide variety of no-nonsense, hands-on, credit-bearing courses taught by savvy classroom teachers at sites citywide. These courses can be used to meet state certification, to achieve salary differentials or to enhance your professional growth.

The UFT Teacher Center also has school-based consultants who provide day-to-day professional support in schools throughout the city. Through local resource centers full of instructional materials, they work with individual UFT members as well as with programs and entire schools, providing workshops, planning sessions, coaching and other support activities.

New York State requires all teachers who are seeking initial certification to take four workshops. One is on recognizing the signs of child abuse and learning how to report it; another is on preventing violence in schools; the third is on the needs of children with autism; and the fourth is on prevention and intervention against bullying. See pages 34-35 for information and workshop listings.

Knowing how tough it can be getting through a day in our schools, the union's Stress Management Workshops provide tuition-free courses for members (Fall and Spring semesters only).

Finally, the union worked long and hard with the NYC Department of Education to create the Peer Intervention Program through a section in our contract. PIP helps tenured, appointed teachers improve their classroom skills with confidential, one-on-one assistance in participants' own schools. Admission is by application only. See page 36 for details and coupon.

IMPORTANT NOTICE TO ALL TEACHERS APPLYING FOR NYS INITIAL CERTIFICATION

In addition to other regulations, the state requires teachers to attend workshops on:

- **Child Abuse Recognition And Reporting** (two hours)
- **The Needs of Children With Autism** (three hours)
- **Violence Prevention** (two hours)
- **Dignity for All Students Act** (six hours)

GETTING CREDIT

Here are answers to several common questions the UFT Course Program receives:

- Graduate courses may be taken only for graduate credit. In-service courses may be applied only toward salary differentials. In-service courses are solely accessible through the Department of Education's After-School Professional Development Program website: <http://schools.nyc.gov/teachers/asdpdp>. The NYC Department of Education will not grant credit for any in-service courses taken outside New York City.
- If you are in a master's or doctoral program, you should check with your college to verify that it will accept particular courses in this educational supplement for credit toward your degree.
- **Only the NYS Education Department can tell you which of these courses will meet your individual certification requirements.** Although the state has approved all of these courses, that does not mean that every course will satisfy your particular requirements, so we urge you to contact the State Education Department at 518-474-3901 or TCERT@mail.nysed.gov.
- The NYS Education Department often updates certification requirements. Most classroom teaching certificates require three semester hours in methods of teaching reading. Many require additional semester hours in teaching literacy skills. Each individual evaluation form will give the amount of literacy course work required beyond the three semester hours needed in methods of teaching reading. You may select reading courses listed in this catalog.
- Although all of these graduate-level courses carry college credit, courses offered by the UFT Course Program do not, in and of themselves, lead to a graduate degree, with these exceptions:

COLLEGE OF MOUNT SAINT VINCENT

MS in TESOL

MERCY COLLEGE

MS in Education
MS in Teaching Literacy
MS in Teaching TESOL

NEW YORK INSTITUTE OF TECHNOLOGY

MS in Childhood Education, Grades 1-6
MS in Instructional Technology
MS in Adolescence Education:

MASTER OF SCIENCE IN TEACHING ENGLISH TO SPEAKERS OF OTHER LANGUAGES (TESOL)

The Master of Science Degree in Teaching English to Speakers of Other Languages (TESOL) at the College of Mount Saint Vincent is designed **for teachers who hold initial certification in a discipline other than TESOL**. This program prepares prospective teachers of English as a New Language (ENL) students, grades PreK-12. The program features quality, convenience, and low cost.

- ◆ 30 Credits (10 courses)
- ◆ 4 online courses in coordination with the UFT
- ◆ 6 on-campus courses at the College's Manhattan campus

Students successfully completing this course of study will:

- ◆ fulfill the academic requirements for initial certification in TESOL
- ◆ be recommended to the New York State Education Department for initial certification in TESOL, grades PreK-12.
- ◆ document completion of 12 credits in a foreign language(s) or sign language prior to program completion. Undergraduate/Graduate course work or equivalent credits or CLEP or NYU proficiency will be accepted.

ADMISSION INFORMATION

Prerequisite information

Students who wish to matriculate into the Master of Science in TESOL must have an initial teaching certificate in a discipline other than TESOL.

It is highly recommended that students seek advisement prior to beginning their course of study. Contact Dr. Seonhee Cho, faculty advisor of the TESOL program, at seonhee.cho@mountsaintvincent.edu or call 718-405-3742.

Matriculation

Students must apply for matriculation before beginning the fourth class in this program of study. The matriculation process must be finalized before the completion of 12 credits. For information about application process and status, contact Frank Angeles, Assistant Director of Admission for the School of Professional and Graduate Studies at frank.angeles@mountsaintvincent.edu or 718-405-3438.

Transfer credit

A maximum of 6 transfer credits from other colleges may be accepted into the program pending departmental approval. Transfer credits cannot be applied to courses required on campus and must meet all criteria (see College Catalog). Only matriculated students may file a transfer credit request application. Official transcripts must be submitted with the transfer application.

Tuition

Students in this program are required to complete 10 courses, five of which must be taken at the Mount Saint Vincent Manhattan campus. The remaining five courses will be offered at one of the UFT sites in the five boroughs. Tuition for courses offered by the UFT Course Program is \$750 per 3-credit class plus a \$50 registration fee payable to UFT/COURSES. On-campus tuition, subject to change, is \$1,764 per 3-credit graduate class upon application of 20% tuition reduction through CMSV Education Diversity Scholarship. All students who take TESOL courses are eligible for this scholarship.

The following courses are online at UFT reduced tuition:

- ◆ **EDUC 507** Linguistic Analysis (Online)
- ◆ **EDUC 508** Structure of American English (Online)
- ◆ **EDUC 722** Teaching English as a Second Language I (Online)
- ◆ **EDUC 725** Teaching Across the Content Areas: Methods of TESOL, Grades PreK-12 (Online)

Non-matriculated students who are seeking ESOL certification individually or matriculated students who are taking online courses

Visit this link and follow the prompts:

NOTE: Online courses have synchronous video sessions. Students must have not only internet connection but also a built-in camera and a microphone in their computer. Online courses are offered through College Learning Management System, Canvas. <https://mountsaintvincent.edu/academics/resources/computer-services/canvas/>

The following courses are on-campus courses at on-campus reduced tuition:

- ◆ **EDUC 504** Cross-Cultural Communication (Riverdale Campus)
- ◆ **EDUC 506** Language, Cognitive Development, and Cultural Diversity (Riverdale Campus)
- ◆ **EDUC 605** Curriculum & Materials in TESOL (Manhattan Campus)
- ◆ **EDUC 726** Assessment in English as a Second Language (Manhattan Campus)
- ◆ **EDUC 750** Supervised Practicum in TESOL: PreK-6 (Manhattan Campus)
- ◆ **EDUC 751** Supervised Practicum in TESOL: 7-12 (Manhattan Campus)

NOTE: One supervised practicum in TESOL will be fulfilled at the candidate's current teaching location when appropriate. The additional level of supervised practicum will be carried out in a level-appropriate summer ENL program. Each practicum requires 60 field hours and 15 hours of practicum seminar.

NOTES TO ALL CMSV STUDENTS

ONLINE APPLICATION PROCESS:

- Visit www.mountsaintvincent.edu
 - Go to: Admission (on the top of the page)
 - Click: Apply for Graduate Programs
 - Click: Apply Now
 - Fill out the online application and click SUBMIT.
- There is no application fee when registering online.*

Submit the following documents to Frank Angeles, Admissions for SPGS, College of Mount Saint Vincent, 6301 Riverdale Ave., Riverdale, NY 10471:

UFT EDUCATIONAL PROGRAMS FALL 2018

TESOL CORE COURSES *These courses are required for degree-seeking students as well.*

 **EDUC 507 LINGUISTIC ANALYSIS**—The College of Mount St. Vincent • This course examines the components of language in order to define the nature of language and the human mind. Questions regarding the origin of language will be examined. The universal nature of language will also be explored. An introduction to general linguistic notions will be presented in this course. Foci include phonology, morphology, syntax, semantics, pragmatics, and language variations across time and space. 10 required field hours. 3 graduate credits. Tuition is \$750 plus a \$50 registration fee. **Register online or send \$50 check or money order for registration payable to UFT/COURSES using the “T” coupon on page 2.**

T1.1	Online	Seonhee Cho	Mon. 4:45p-7:30p	9/17

 **EDUC 508 • STRUCTURE OF AMERICAN ENGLISH**—The College of Mount St. Vincent • This course examines English grammar from a theoretical point of view and discusses how the different constructions that we study can be taught formally and informally in the ESL classroom. Although English language learners have not acquired English as a first language, they have access to Universal Grammar, which programs human beings to understand what is possible with all languages. Hence, the knowledge that we all possess, subconsciously facilitates the learning of a second language when brought to conscious awareness. Prescriptive versus descriptive language will be examined throughout the course in light of structures to be studied and how they manifest themselves in everyday usage. 3 graduate credits. Tuition is \$750 plus a \$50 registration fee. **Register online or send \$50 check or money order for registration payable to UFT/COURSES using the “T” coupon on page 2.**

MERCY COLLEGE

Students who are matriculated in any Mercy College program are not eligible to take a course through NYSUT or UFT.

COLLEGE FAIR

**Wed., Sept. 5, 2018
4 – 6 p.m.**

UFT Headquarters • 52 Broadway, Manhattan
For more details, see page 3.

Descriptions of these degree and certificate programs have been provided to the UFT Course Program by the collaborating college or university. Any problems, issues or concerns regarding this information or your academic status must be addressed there, and not to the UFT. The UFT Course Program does not grant credit; only the collaborating colleges and universities can do so.

PROOF OF IMMUNIZATION REQUIRED

Students born on or after Jan. 1, 1957 are required to provide the college with proof of immunization from measles, mumps and rubella by the start of classes.

REGISTRATION PROCEDURES FOR “T” COURSES See page 2

TUITION IS SUBJECT TO CHANGE

IMPORTANT INFORMATION:

Students are not eligible to register for a Mercy sponsored course through NYSUT ELT or UFT if:

- ♦ they have already completed 15 Mercy College credits through NYSUT ELT or UFT,
- ♦ they are currently matriculated into a Mercy College degree or Advanced Certificate Program,
- ♦ they are on a financial hold with Mercy College, or
- ♦ they were academically dismissed by Mercy College.

ELT is NOT responsible for reimbursement of tuition for students who register for any Mercy courses if they meet any of these criteria.

QUALITY PROFESSIONAL DEVELOPMENT WITH YOU IN MIND!

NYSUT Education and Learning Trust and the UFT Course Program have collaborated to ensure that programs offered to you provide high-quality, affordability, convenience and an exciting variety of courses that are responsive to your needs.

The NYSUT Education and Learning Trust, in collaboration with Mercy College, invites you to participate in a 15-credit (maximum) program designed to lead to one of several different Master of Science in Education degrees from Mercy College as well as certification from the New York State Education Department. These courses may lead to a Master of Science degree and certification in one of the following programs:

- ♦ **Master of Science in Early Childhood Education, Birth-Grade 2**
- ♦ **Master of Science in Childhood Education, Grades 1-6**
- ♦ **Master of Science in Adolescence Education, Grades 7-12**
- ♦ **Master of Science in Teaching English to Speakers of Other Languages (TESOL)**

Program participants have an opportunity to earn up to 15 education credits and apply successfully completed courses toward a Mercy College master's degree. NYSUT/ELT offers these courses as part of a diverse degree program. Tuition for graduate courses is \$1,200 per 3-credit course. (A discount of 33% is applicable to active dues-paying UFT/NYSUT members (currently \$804), which includes a \$50 registration fee. There will be a \$50 administration fee for cancelling your participation in a class. Students will be charged 2 weeks prior to the start of class.

Be mindful: New York State regulation (effective Fall of 2016) requires that all graduate schools of education use a standardized test as part of the admission process. If you are planning to matriculate into a Graduate Education Program, you will have to take the Graduate Record Examination (GRE) in order to meet this new regulation.

Once students matriculate into Mercy College, the remaining course work must be completed at one of the Mercy College campuses: Bronx, Manhattan, Dobbs Ferry or Yorktown, N.Y. In addition, courses may not be taken simultaneously through the UFT and at Mercy College.

On-campus reduced tuition rate

Students who enter the NYSUT/ELT master's program at Mercy College are entitled to a one-third tuition scholarship, based upon the existing tuition rate. Currently, students who are entitled to this reduced tuition rate are paying \$1,612 per 3-credit course. **Tuition rates are subject to change by the college.**

NOT ALL LISTED COURSES APPLY TO EACH MASTER'S DEGREE. Consult your individual program plan to select your required courses.

If you have questions or need further advisement, please call Jung Kang Miller at 914-674-7333. For more information about Mercy College admissions, please visit www.mercy.edu.

For registration information only, call a UFT Course Program assistant at 212-475-3737 — or attend the next COLLEGE FAIR.

ELT is not responsible for reimbursement of tuition for students who register for the same course twice.

MERCY COLLEGE MASTER'S PROGRAM COURSES

EDUC 500 • EDUCATIONAL FOUNDATIONS FROM DIVERSE PERSPECTIVES—Mercy College • This course offers a critical overview of the forces (historical, legal, financial, organizational, and philosophical) that provide the foundation of education. It will allow students to examine, debate and speculate about the controversies that impact schools and teachers, now and into the future. These basic concepts of education are examined from the diverse perspectives of race, gender, disabilities, and language learners. Aspects of education such as funding, instructional strategies, and due-process procedures will be examined for their impact on social justice concerns such as equity and access, alternative ways of knowing, funds of knowledge, and other cultural factors as they impinge on the learning process. The role of the teacher as facilitator of critical thinking and as promoter of socially responsible action in the society will be considered. (Formerly EDUC 501 and 504 EDUCATION IN TODAY'S SCHOOLS.) 3 graduate credits. Tuition for graduate courses is \$1,200 per 3-credit course. **A discount of 33% is applicable to active dues-paying UFT/NYSUT members (currently \$804 which includes a \$50 registration fee).** Register online at www.nysut.org/elt. HIGHLIGHTS OF THE MSIT FOR EDUCATORS PROGRAM

This master's program in Instructional Technology develops expertise in the use of leading-edge media and technology for teaching and learning. Graduates of the program become master teachers in 12 classrooms, or school or district instructional technology leaders, staff developers and curriculum designers. Initial courses enhance teachers' expertise with a wide range of media and applications and set the stage for understanding how instructional technology can fulfill its potential to **Entice, Encourage, Enable and Empower** learners. Building on theories of learning, motivation and curriculum design, teachers next learn to apply newly developed technology skills in language arts, social studies, math, science and technology curricular content. An innovative action research project caps the experience as participants join the small number of certified educational technology specialists in New York State.

About the Instructional Technology program:

- ◆ Aligned with the latest National Educational Technology Standards (NETS) for Coaches from the International Society for Technology in Education (ISTE)
- ◆ Candidates are prepared to be coaches and professional developers who design and provide building- and district-level PD using instructional technologies
- ◆ Degree requirements have been streamlined (33 credits) and total tuition costs remain competitive
- ◆ All courses have been updated to meet the latest curricular standards and reflect cutting-edge approaches to using technology in diverse K-12 classrooms
- ◆ New elective courses are now available
- ◆ State required field experience hours (50) are consolidated into a new Practicum and Seminar course

The program offers:

- ◆ A 33-credit Master of Science degree in Instructional Technology
- ◆ Eligibility for NYS certification as an Educational Technology Specialist
- ◆ Eligibility for permanent or professional certification in first certificate area
- ◆ Opportunity to become proficient in the use of leading-edge technology
- ◆ Professional development for leadership in applying educational technology
- ◆ Experience with tools for problem-solving and communication in the PreK-12 setting
- ◆ Expertise in integrating technology and standards in the PreK-12 curriculum
- ◆ Exciting learning environments with practitioner instructional technology faculty
- ◆ Option for non-certified educators/others interested in technology in teaching and learning

For further details, contact Erin Fabian of NYIT at efabian@nyit.edu, or call 212-231-1529 for an appointment.

MASTER OF SCIENCE IN CHILDHOOD EDUCATION, GRADES 1-6 (MSCHED) 45 CREDITS INITIAL CERTIFICATION

Upon completion of all NYS certification requirements, this program leads to a master's degree and eligibility for NYS Initial Certification in Childhood Education, Grades 1-6. The program facilitates the development of an understanding of child development; curriculum design; effective instructional practices to teach all children; and the integration of technology in teaching and learning.

For initial certification, all applicants to the program must

- ◆ have an earned bachelor's degree with a GPA of 3.0* and a major or its equivalent (minimum of 30-credit concentration) in biology, chemistry, economics, English, social studies, history, life science, mathematics, physics, psychology, or interdisciplinary arts and sciences;
- ◆ have completed 6 credits in each of the following college-level courses: English, social studies, science, mathematics, a language other than English and a form of creative expression. Qualified candidates will be able to make up deficits in up to two areas before completion of the program;
- ◆ GRE/MAT exam
- ◆ personal statement
- ◆ 2 letters of recommendation

* Students with a GPA of less than 3.0 require special advisement.

Foundation Courses:

- ◆ **EDPC 603** Foundations I: Philosophy & Technology of Education
- ◆ **EDPC 605** Curriculum Design and Development
- ◆ **EDPC 610** Foundations II Diversity, Learning and Technology in Education
- ◆ **EDPC 615** Human Growths and Development B-Grade 6
- ◆ **EDPC 664** Institutes in Education

Literacy Core:

- ◆ **EDLI 635** Theory and Practice of Literacy Instruction
- ◆ **EDLI 636** Diagnosis and Remediation of Literacy Disorders

Content Core:

- ◆ **EDLA 615** English Language Arts and Technology
- ◆ **EDSS 620** Social Studies and Technology
- ◆ **EDMA 623** Math, Science and Technology I
- ◆ **EDSC 623** Math, Science and Technology II

Research Core:

- ◆ **EDPC 690** Research Methods and Assessment
- ◆ **EDPC 691** Field Project

Student Teaching:

- ◆ **EDPC 681** Student Teaching and Seminar

MASTER'S PROGRAM LEADING TO PROFESSIONAL CERTIFICATION

MASTER OF SCIENCE IN ADOLESCENCE EDUCATION: SPECIALIST IN MATHEMATICS – 36 CREDITS

MASTER OF SCIENCE IN ADOLESCENCE EDUCATION: SPECIALIST IN SCIENCE – 36 CREDITS

MASTER OF SCIENCE IN CHILDHOOD EDUCATION: PROFESSIONAL CERTIFICATION – 36 CREDITS

The UFT Course Program and New York Institute of Technology have collaborated to offer three new programs designed to prepare candidates for New York State professional certification.

Two master's programs in adolescence education are designed to prepare teachers with initial NYS certification for professional certification and equip them with the knowledge and skills to integrate technology and use culturally-responsive instructional strategies to teach diverse students. The courses of study are rich in mathematics, science and instructional technology content, as well as pedagogy, adolescent development and evidence-based instructional strategies.

The master's program in childhood education is designed for teachers with initial or professional certification, seeking additional skills in teaching and learning. This program focuses on students in grades 1-6. Candidates may possess certification in any discipline.

Admission requirements for all programs

- ◆ a baccalaureate degree from an accredited college or university;
- ◆ completed online or paper application and a \$50 fee, made payable to New York Institute of Technology;
- ◆ official transcripts from all colleges previously attended;
- ◆ evidence of MMR from a physician; and, for those to whom it applies,
- ◆ evidence of NYS provisional or initial certification.
- ◆ GRE/MAT exam
- ◆ personal statement
- ◆ 2 letters of recommendation

Required courses for all programs

- ◆ **EDIT 605** Instructional Applications of the Internet
- ◆ **EDLI 635** Theory/Practice of Literacy Instruction
- ◆ **EDMA/EDSC 623** Mathematics, Science, & Technology I
- ◆ **EDPC 603** Foundations I: Philosophy and Technology of Education
- ◆ **EDPC 605** Curriculum Design & Development
- ◆ **EDPC 610** Foundations II: Diversity, Learning, and Technology of Education
- ◆ **EDPC 690** Research Methods and Assessment
- ◆ **EDPC 691** Field Project
- ◆ **EDMA/EDSC 623** Mathematics, Science, & Technology II

MASTER OF SCIENCE IN ADOLESCENCE EDUCATION: SPECIALIST IN MATHEMATICS

Required courses:

- ◆ **EDLI 637** Reading in the Content Area
- ◆ **EDMA 625** Mathematics & Technology in Education I
- ◆ **EDMA 628** Mathematics & Technology in Education II

MASTER OF SCIENCE IN ADOLESCENCE EDUCATION: SPECIALIST IN SCIENCE

Required courses:

- ◆ **EDLI 637** Reading in the Content Area
- ◆ **EDSC 632** Biodiversity
- ◆ **EDSC 633** Understanding Space & Weather

MASTER OF SCIENCE IN CHILDHOOD EDUCATION: PROFESSIONAL CERTIFICATION

Required courses:

- ◆ **EDLA 615** English Language Arts and Technology
- ◆ **EDLI 636** Diagnosis and Remediation of Literacy Disorders
- ◆ **EDSS 620** Social Studies and Technology

Participants in each of these programs will receive personal one-to-one advisement by expert program faculty. Qualified students may be eligible for Troops to Teachers funding and other financial aid.

MASTER OF SCIENCE IN EARLY CHILDHOOD EDUCATION, BIRTH TO GRADE 2 45 CREDITS INITIAL CERTIFICATION/ 36 CREDITS PROFESSIONAL CERTIFICATION

Upon completion of all NYS certification requirements, this program leads to a master's degree and eligibility for NYS initial certification in Early Childhood Education, Birth to Grade 2. This program facilitates the development of an understanding of early childhood development, curriculum design; effective instruction practices to teach young children; and the integration of technology in teaching and learning. It prepares candidates for teaching in a variety of educational settings within the birth to grade 2 levels.

Foundation Courses:

- ◆ **EDPC 603** Foundations I: Philosophy & Technology of Education
- ◆ **EDPC 605** Curriculum Design & Development
- ◆ **EDPC 610** Foundations II: Diversity, Learning & Tech
- ◆ **EDPC 615** Human Growth and Development (45 Credits Only)

New York Education Law now permits individuals with United States Citizenship or Permanent Resident status, to qualify for a Permanent or Professional NYS Teaching Certificate.

MASTER OF SCIENCE IN EARLY CHILDHOOD EDUCATION, BIRTH TO GRADE 2 WITH BILINGUAL EXTENSION

45 CREDITS INITIAL CERTIFICATION/36 CREDITS PROFESSIONAL CERTIFICATION

Upon completion of all NYS certification requirements, this program leads to a master's degree and eligibility for NYS initial certification in Early Childhood Education, Birth to Grade 2. This program facilitates the development of an understanding of early childhood development, curriculum design; effective instruction practices to teach young children; and the integrating of technology in teaching and learning. It prepares candidates for teaching in a variety of educational settings within the birth to grade 2 levels. The Bilingual Extension program is offered to candidates who are already certified to teach in New York State and wish to teach English Language Learners (ELLs) in a bilingual setting. Upon successful completion of the Bilingual Education Assessment (BEA) and course requirements for this extension, teacher candidates will be certified to teach English Language Learners in a bilingual setting. As part of the required clinical experience, candidates must complete college supervised field experiences of 50 hours within a bilingual setting.

MIDDLE SCHOOL CERTIFICATION EXTENSIONS FOR CHILDHOOD EDUCATION TEACHERS

EXTEND YOUR POSSIBILITIES!

NYIT School of Education offers courses needed for eligibility to extend New York State Childhood Education Teacher Certification to Middle School Level, Grades 7-9 in just two part-time semesters for teachers holding initial, professional, or permanent certification in Elementary Education K-6 or Childhood Education, Grades 1-6.

These programs enable teachers to:

- ♦ Extend their existing certification to grades 7-9 mathematics, science or English.
- ♦ Develop skills and expertise required to effectively teach young adolescents.
- ♦ Use research-based, effective teaching strategies and technology to design instruction that maximizes success for middle school students.

PROGRAM OF STUDY

Childhood Education 7-9 extension in Middle School Mathematics

- ♦ **EDPC 616** Human Growth, and Development and Learning for Middle Childhood and Adolescence Education
- ♦ **EDPC 617** Curriculum and Instruction for Middle Childhood Education
- ♦ **EDMA 625** Mathematics and Technology in Education I
- ♦ **EDMA 628** Mathematics and Technology in Education II

Childhood Education 7-9 Extension in Middle School Science

- ♦ **EDPC 616** Human Growth, and Development and Learning for Middle Childhood and Adolescence Education
- ♦ **EDPC 617** Curriculum and Instruction for Middle Childhood Education
- ♦ **EDSC 630** Teaching Life Science in the Middle School Using Technology—Content and Methodology
- ♦ **EDSC 631** Teaching Physical Science in the Middle School Using Technology—Content and Methodology

Childhood Education 7-9 Extension in Middle School English

- ♦ **EDPC 616** Human Growth, and Development and Learning for Middle Childhood and Adolescence Education
 - ♦ **EDPC 617** Curriculum and Instruction for Middle Childhood Education
 - ♦ **EDLA 620** Teaching English/Language Arts in the Middle School Using Technology (I)—Pedagogy
 - ♦ **EDLA 621** Teaching English/Language Arts in the Middle School Using Technology (II)—Content
- Teachers who hold NYS Initial or Professional Certification in Childhood Education and who satisfy all NYSED requirements, including an appropriate concentration of 30 credits in an approved subject area (math, English language arts, social studies or science), may use these courses as part of 6 credits in middle school pedagogy to apply for an NYSED Middle School Extension Certificate

Admissions Requirements

Applicants for admission to the 7-9 extension program for childhood education certification must be in the process of completing or already possess valid initial or professional certification in childhood education (Grades 1-6) or elementary education and demonstrated completion of at least 30 semester hours of college course work in the subject area (English, mathematics or science) to be taught with a GPA of 3.0.

For further information and personal advisement call 516-686-1286.

NYIT ONLINE COURSES

COURSES RUN:
WEDNESDAY, SEPT. 5 – SUNDAY, DEC. 23

REGISTRATION DEADLINE:
WED., SEPT. 5

Enrollment may be limited to participants currently in the NYIT technology master's program. Students with 9 credits or more must be fully matriculated before registering for these courses. For advisement, call NYIT at 212-231-1529.

SPECIAL REGISTRATION PROCEDURE: Registration for these online courses may only be completed by calling NYIT, 212-231-1529. All tuition and registration fees for NYIT online courses must be paid no later than 5 p.m. **on the date of the registration deadline.** These fees include NYIT's tuition of \$1,360, payable to NYIT and a separate registration fee. This \$50 fee must be made payable to UFT/COURSES and mailed with the coupon on page 2 directly to the UFT.

There is **NO UFT ONLINE REGISTRATION** for these courses. **Note: EARLY starting date. Due to the early starting date, participants will have already been notified by the college concerning registration for these courses.**

NYIT ONLINE – FOUNDATION/CORE COURSES

EDIT 603—FT1 • FOUNDATIONS I: PHILOSOPHY AND TECHNOLOGY OF EDUCATION—New York Institute of Technology • Foundational research on the integration of instructional technologies in teaching, training, and learning enables the candidate to consider the social, psychological, and technical milieu of the digital medium in the third millennium. The candidate explores, through primary source literature and digital artifacts, the continuum of thought that frames the past, present, and future understanding of instructional technology within education, corporate, personal, and societal contexts. This exploration leads to the candidate's final project: a rigorous, web-based, well-documented personal philosophy of instructional technology incorporating a variety of digital media artifacts. In this course, candidates will initiate their web-based professional portfolio for the program. Candidates are expected to make additions and revisions to this philosophy each succeeding semester as specified in the final portfolio requirements for the degree. **Field experiences are required and integrated into the course.** 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 212-261-1529 and mailing the "T" coupon from page 2 to the UFT with a \$50 registration fee.**

T12.1	Fabien Riviere	Wed., 9/5

EDIT 605—FT1 • INSTRUCTIONAL APPLICATIONS OF THE INTERNET—New York Institute of Technology • In this course, candidates integrate the tools and resources of the Internet into their instructional dialogue. Starting with learning standards and/or instructional competencies, candidates adapt Internet resources and Internet-based teaching strategies to their instructional environments. Constructivists and other learning approaches are used and modeled for all activities. Candidates utilize the current tools and resources of the Internet as well as consider evolving standards and capabilities. *Prerequisites: EDIT/EDPC 603 (Foundations I: Philosophy and Technology of Education).* 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 212-261-1529 and mailing the "T" coupon from page 2 to the UFT with a \$50 registration fee.**

 **EDIT 608–FT1 • CURRICULUM DESIGN AND DEVELOPMENT—New York Institute of Technology •** Candidates design an instructional unit within a defined course of study based on the five phases of instructional systems design: analysis, design, development, implementation and evaluation. Candidates conduct a needs assessment for the learner, content, and context of their unit of instruction aligning learning objectives with national and state standards. Candidates develop performance assessment measures and incorporate instructional technologies to meet the needs of diverse learners. Issues addressed are curriculum alignment, learning theory, differentiated instruction, and design of instructional technology activities for active student engagement and inquiry. **Field experiences are required and integrated into the course.** 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 212-261-1529 and mailing the “T” coupon from page 2 to the UFT with a \$50 registration fee.**

 **EDIT 618–FT1 • FOUNDATIONS II: DIVERSITY, LEARNING AND TECHNOLOGY—New York Institute of Technology •** Candidates apply an understanding of diversity of student populations in PreK-12 schools. Particular emphasis is placed on research-based evidence for effective uses of assistive and instructional technology for improving student performance in national and state standards-based general-education curriculum. Candidates develop instructional materials to meet the needs and aspirations of all learners across the spectrum of culture, gender, language, and ability levels. Case studies are developed to demonstrate technology integration for differentiation for all learners. **Field experiences are required and integrated into the course.** *Prerequisite: Take EDPC 605 and one course in this group: EDIT 603 or EDPC 603.* 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 212-231-1529 and mailing the “T” coupon from page 2 to the UFT with a \$50 registration fee.**

 **EDIT 690–FT1 • ASSESSMENT AND EVALUATION METHODS—New York Institute of Technology •** Candidates explore selected forms of quantitative and qualitative methodologies used for conducting needs assessment, developing technology-related professional learning programs, and evaluating the impact of instructional practice on student learning. Strengths and weaknesses of each approach will be analyzed. Candidates will learn about resources for designing, development, and complementing the evaluation and measurements of instructional interventions. Focus will be on measuring instructional effectiveness. Specific topics include: needs assessment, data collection methods, data analysis, and communication of results. Special attention is devoted to methods of assessing K-12 learning outcomes. Candidates complete the course by preparing a detailed evaluation and assessment plan to determine evidence of student learning in a specific educational context. 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 212-261-1529 and mailing the “T” coupon from page 2 to the UFT with a \$50 registration fee.**

 **EDIT 695–FT1 • PRACTICUM AND SEMINAR—New York Institute of Technology •** This practicum and seminar will be a culminating field experience for the instructional technology master's program. The practicum portion will include the NYSED minimum field-experience requirement. The experiences will expand candidate's knowledge of the field of instructional technology and his/her leadership expertise. The seminar component will require that candidates complete their electronic portfolio by reviewing, updating or creating artifacts, rationales and reflections related to experiences in the program for each International Society for Technology in Education (ISTE) National Education Technology Standards (NETS) for Technology Coaches standards. The portfolio will provide evidence for candidate's impact on student learning, and practicum experiences that meet standards for Instructional Technology Coaches as described in ISTE NETS-C. 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 212-261-1529 and mailing the “T” coupon from page 2 to the UFT with a \$50 registration fee.**

EDPC 691–FT3 • FIELD PROJECT—New York Institute of Technology • This is the culminating course in the masters' courses of study. Candidates carry out an applied research project in a chosen area of expertise that demonstrates and documents the candidates comprehensively developed skills. The project synthesizes work of the degree candidates' program. The field project is based on a standards-based learner-centered quantitative or qualitative design begun in the research course and refined in this course. The design demonstrates application of a range of teaching/learning methods, media, instructional technology, and integrates appropriate criteria, rubrics, and assessments. The instructional needs of diverse learners are integrated into the field design. The final report includes detailed documentation of the rationale, design, and implementation of the project followed by an evaluation and analysis of project results. Candidates are encouraged to publish their reports in professional journals *Prerequisite: EDPC 690*. 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 516-686-4931 and mailing the “T” coupon from page 2 to the UFT with a \$50 registration fee.**

EDPC 681 • STUDENT TEACHING—New York Institute of Technology • Candidates participate in a full semester of student teaching in a childhood setting in a cooperating school. Student teachers are supervised by a cooperating teacher in the school and observed regularly by the college supervisor. The weekly seminar provides support and instruction for candidates who are working in the schools. Instruction focuses on technology as a tool for teachers using word processing, database and spreadsheet management. Seminar discussions focus on assigned readings and the teaching experiences of the candidates. 3 graduate credits. Tuition is \$1,360 plus a \$50 registration fee. **Registration may only be completed by calling NYIT at 212-261-1529 and mailing the “T” coupon from page 2 to the UFT with a \$50 registration fee.**

MASTER OF SCIENCE IN SCHOOL COUNSELING (GUIDANCE) – 48 CREDITS

NYIT SCHOOL OF INTERDISCIPLINARY STUDIES AND EDUCATION

New York Institute of Technology, in collaboration with the UFT Course Program, offers a master's degree in School Counseling nationally accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP). The program now offers 2 or 3 year completion options and consists of online, blended, and face-to-face classes. Field experience and technology are used in creative and meaningful ways, starting with the first course. NYIT schedules information sessions each spring. Successful candidates will be admitted to the fall semester.

The mission of the School Counseling master's program is to prepare culturally competent and skilled school-counseling professionals to meet the growing needs of K-12 students in today's schools. The competency-based school counseling program prepares professional school counselors to deliver comprehensive programs that promote success for all students (PreK-12) in the areas of academic, career and personal/social development. Through advocacy, collaboration and teamwork, leadership, individual and group counseling interventions and use of data and technology, NYIT school counselor candidates will be prepared to support, promote and enhance student achievement and success in school. Unique in its cross-disciplinary approach, candidates in school counseling share core courses with mental health and teacher education students.

ADMISSIONS

- ◆ Applicants are encouraged to contact the program coordinator and attend an information session. These are scheduled periodically.
- ◆ For full matriculation, applicants are admitted annually for the fall semester; however, students may begin course work the preceding summer with permission.
- ◆ College graduates may enter from a variety of backgrounds including, but not limited to: education, the helping professions, business and industry. The GRE might be required based on GPA. Please contact the department for more information.

Admission to the program has two distinct components: fulfilling the requirements for admission to the NYIT graduate program and completing of a departmental admissions portfolio. The portfolio includes three reference forms, a professional goals statement and an individual/group interview. Additional information may be found on the School Counseling website: http://www.nyit.edu/degrees/school_counseling.

REGISTRATION PROCEDURES FOR "T" COURSES See page 2

TUITION IS SUBJECT TO CHANGE

The UFT Course Program has collaborated with Touro College to offer three master's programs leading to Master of Science in Education and Special Education or Master of Science in Special Education.

All of these programs have been approved by the Department of Education.

While you are taking courses through the UFT Teacher Center, your Touro adviser is Dr. Yuriy Karpov (for an appointment, call (212) 463-0400 ext. 5200.

IMPORTANT NOTICE:

Touro matriculated students or students who are taking courses at Touro College cannot register for these off-campus courses.

PLEASE NOTE:

You do not have the right to register for Touro courses offered in conjunction with the UFT Course Program unless you have preregistered with the UFT Course Program and paid a \$50 per-course registration fee. Those who have put in their registration without fulfilling the above requirements *will be dropped from the course.*

45 CTLE hours may be provided for Touro courses.

Potential candidates should be aware that since most off-campus courses end later than those on campus, a diploma may not be awarded until the semester following the completion of course work.

MASTER'S PROGRAM

MASTER OF SCIENCE IN EDUCATION AND SPECIAL EDUCATION

Touro College, in conjunction with the UFT Course Program, is offering three master's programs leading to New York State Teacher certification in both Education and Special Education:

MASTER OF SCIENCE IN EDUCATION AND SPECIAL EDUCATION, BIRTH-GRADE 2 – 36 CREDITS

The Early Childhood program offers study of early childhood development, early intervention, and learning and teaching processes in preschool, kindergarten and primary grade levels. This program leads to NYS Initial or Professional Teacher Certification in early childhood education (birth-grade 2) and teaching students with disabilities (birth-grade 2) upon graduation from the program and completion of all NYS Education Department (NYSED) requirements, including passing grades on NYSED teacher certification examinations. NYS Professional Teacher Certification is awarded after three full years (September-June) of full-time teaching experience.

MASTER OF SCIENCE IN EDUCATION AND SPECIAL EDUCATION, GRADE 1-6 – 36 CREDITS

The Childhood program offers study of childhood development and the learning and teaching processes in grades 1-6. This program leads to NYS Initial or Professional Teacher Certification in childhood education (grades 1-6) and teaching students with disabilities (grades 1-6) upon graduation from the program and completion of all NYS Education Department (NYSED) requirements, including passing grades on NYSED teacher certification examinations. NYS Professional Teacher Certification is awarded after three full years (September-June) of full-time teaching experience.

MASTER OF SCIENCE IN SPECIAL EDUCATION, GRADE 7-12 – 42 CREDITS

The program in teaching students with disabilities at the grade 7-12 level offers study of adolescent development and learning and teaching processes, particularly as they pertain to students with disabilities at the grade 7-12 level. This program leads to New York State Initial or Professional Teacher Certification in teaching students with disabilities, generalist, grades 7-12, upon graduation from the program and completion of New York State Education Department (NYSED) requirements, including receipt of passing grades on NYSED teacher certification examinations and a three-hour workshop on autism. NYS Professional Teacher Certification is awarded after three full years (September - June) of full-time teaching experience.

**UFT EDUCATIONAL PROGRAMS
FALL 2018**

FIELD EXPERIENCE

Only students already in the Touro/UFT Course Program may register for field experience in the Fall 2018. Beginning on Spring 2019 field experience will be offered on campus only.

EDSN 682 • FIELD EXPERIENCE AND PRACTICUM I IN EARLY CHILDHOOD GENERAL AND SPECIAL EDUCATION, BIRTH-GRADE 2—Touro College • For the field experience component of the course, students complete 50 hours of observations in general education at the birth-preK, kindergarten or grade 1-2 level. Students also complete 100 hours of work with students with disabilities at a level not used in general education. (Inclusion classes with strong special education components are acceptable.) For the practicum component of the course, students complete an additional 20 days or 100 hours of general education at one of the three age/grade levels. (Over the course of the field experience/practicum courses, students must have experience at all three grade levels.) Actual teaching is a component of the practicum part of the course. All student teaching is done in accredited schools with the involvement of appropriately certified supervising or cooperating teachers who submit student evaluation forms during and at the conclusion of the semester. Over the course of the field experience and practicum courses, some work is done in a high-needs school or a school serving a high-needs community. Students keep time sheets of their hours and logs, in which critical incidents are recorded and analyzed, respond to questions involving young children and complete two term papers. The course includes scheduled group meetings. An assigned Touro College faculty member meets with students at their field experience/practicum sites and observes and evaluates student work with children in the school or equivalent educational setting. The faculty member and cooperating teacher evaluate both the field experience and practicum components of student work in the course. Students are advised to download the Student Guide for the practicum, available online at jdicker.webhop.org, and bring it to the first session of the course. 3 graduate credits. Tuition is \$600 plus a \$50 registration fee. **Register online or send \$50 check or money order for registration payable to UFT/COURSES using the "T" coupon on page 2.**

NOTE: This course meets for three sessions: In Manhattan, 10/14, 10/21 and 12/9; in Brooklyn, 10/9, 11/13 and 12/11; in Queens: 9/26, 10/24 and 12/12. *No absences will be permitted.*

SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS FOR EDUCATORS (18 CREDITS)

NYIT The UFT Course Program, in collaboration with New York Institute of Technology, is offering an 18-credit certificate in **Science, Technology, Engineering and Mathematics for Educators (STEM)**. This program will provide extensive background information to prepare K-12 teachers in pedagogy for integrated inquiry-based teaching and learning of STEM concepts. The STEM content will be aligned to NYS standards, differentiated for appropriate grade level to meet diverse K-12 student learning needs. The technology content will include use of tools for enhancing teaching and learning science, engineering and mathematics, including probeware, simulations, GPS applications, research tools and data collection instruments. Engineering concepts will be included in the STEM content and instructional resources to focus on designing authentic projects. Inquiry-based, project-based instruction will relate to the effects and issues requisite to developing knowledgeable citizens and consumers of STEM innovations, inventions, and applications. Assessments will determine the increase in STEM knowledge and skill for applying the concepts learned. The courses in the program are designed according to a scope and sequence beginning with elementary school and becoming increasingly complex as students proceed through the K-12 system in preparation for college and careers in STEM-related fields. This advanced certificate program will provide educators with the knowledge, skills and resources for effective STEM teaching and learning.

Required courses

 **UNY 809 • CYBERBULLYING: THE NEW AGE OF HARASSMENT—Adelphi University •** Advances in technology have radically reshaped the social landscape in which students find themselves. While there are many positive aspects of living in an increasingly wired world, cyber-bullying has emerged as a growing concern for children, schools, families and society. Participants will understand what cyber-bullying is, its impact upon teaching and learning, and be able to apply strategies and solutions to cyber-bullying. 3 graduate credits. Tuition is \$820. Tuition Includes \$20 technology fee. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* **Tuition must be paid in full when registering online. GUIDANCE/SPECIAL EDUCATION

 **EDU 671 • ENCOURAGING STUDENT RESPONSIBILITY & DISCIPLINE—College of St. Rose •** This course examines the classroom environment encountered by most teachers today. Participants explore classroom management techniques and instructional strategies that address students' social and academic needs. Specific behavioral theories are analyzed in terms of their application in the classroom and their effectiveness in developing positive interpersonal skills in students. Practical approaches to behavior issues, violence in schools, attention-deficit disorder, and inclusive classrooms are addressed in all course activities. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits.  **SED 661 • COOPERATIVE LEARNING FOR STUDENTS WITH SPECIAL NEEDS—College of St. Rose •** This course focuses on promoting student achievement and development in a collaborative learning community. Communication skills for effective teaching in an inclusive or special education setting are described, modeled and then practiced by course participants. Through the lens of cooperative learning, participants will focus on the following topics: curriculum development, planning and behavior management, instructional planning and differentiating instruction. Improving students' social competence and the acquisition of functional living skills will be explored. In addition, participants will demonstrate effective collaboration among teachers and other professionals and discover ways to establish partnerships with families and community. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits.  **SED 672 • MULTIPLE INTELLIGENCES: THEORY AND PRACTICE—College of St. Rose •** This course translates the research of Howard Gardner into practical, dynamic, and motivational teaching strategies. Participants learn how Gardner derived his theory, the definitions of the eight intelligences, and how these intelligences can be developed in students at all grade levels. The course provides participants with practical strategies for awakening all of the eight intelligences, techniques for developing them, and tools to structure lessons and units that incorporate all of the multiple intelligences. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits.  **UNY 706 • CREATIVE CONTROVERSY—Adelphi University •** This course teaches participants how to use controversy to support the pedagogical shifts demanded by the NYS PreK-12 Common Core Learning Standards and to prepare students who are College and Career Ready in reading, writing, speaking, listening, and language use. Participants will learn how to structure academic controversies in their classroom using the Johnson's Five Step Process. This process uses academic controversy to teach students how to build content knowledge using informational texts to construct arguments based on close readings of increasingly complex texts, to shift perspectives on controversial issues, and to write reasoned reports that synthesize the best arguments from two points of view. Participants will learn how to select and use structured intellectual controversies that will increase student engagement, intellectual curiosity, motivation to learn, leadership, decision-making, communication, and conflict-management skills. Participants will increase their understanding of how to use cooperative learning with their students to teach the social skills of participation, cooperation, and consensus. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits.  **UNY 729 • INCLUSION: EDUCATION FOR ALL—Adelphi University •** This course is designed for both general and special education teachers at all grade levels. Participants learn how to build collaborative partnerships and teams and explore the rights and responsibilities of teachers in the inclusive classroom. Teachers learn strategies for assessing and working with students in the content areas and how to adapt the environment and instructional materials to create a positive learning experience for all students in the inclusive classroom. Learning to recognize characteristics of students with communication disorders, learning disabilities, mental retardation, severe and multiple disabilities, behavioral disorders and emotional disturbances, is covered in class. INSTRUCTIONAL STRATEGIES

 **EDU 661114 • INSTRUCTIONAL PLANNING, STRATEGIC TEACHING—SUNY Empire State College** • This course is designed to provide participants with instructional strategies that meet the needs of all students at all grade levels. Emphasis will be placed on misconceptions of academic failure; curriculum organization; effective instructional design; curriculum evaluation and instructional strategies that enhance and improve academic performance for all students. The following concepts serve as the basis for the design of curriculum and instruction: core concepts, essential questions, background knowledge, judicious review, strategic integration, cognitive strategies, and mediated scaffolding. Additional strategies and applications introduced in this course include rubrics, graphic organizers, LINC'S vocabulary strategy, class wide peer tutoring, note-taking, paraphrasing, summarizing, reciprocal teaching, questioning, and the Socratic Seminar. The implications of brain research and the use of technology are also components of this course. Additionally, many of the practices examined correlate with the indicators on state- and district-wide teacher evaluation rubrics, the New York State Teaching Standards, and the shifts in Common Core Standards implementation. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits. MATH EDUCATION

 **EDC 663 • MATH MADE MEANINGFUL—College of St. Rose** • This course is designed to help participants help children learn mathematical concepts and skills, including most importantly, problem-solving skills. The course is divided into three parts. The first part provides learning theories as a base for understanding the foundations of mathematics curriculum and how children learn it. It also helps participants apply the learning theories to help children develop foundations of number sense and problem solving. The second part discusses teaching strategies for computational procedures in whole number, fractions and decimals. The third part focuses on investigation and process skills of mathematics including estimation, measurement, geometry and spatial skills. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits.  **EDU 686 • INCREASING MIDDLE-LEVEL MATH—College of St. Rose** • This course enables participants to develop mathematics curricula which are coherent, focused on problem-solving and articulated across grade levels. Based upon National Council of Teachers of Mathematics standards, this course explores four major themes: 1. Fundamentals of mathematics; 2. Solving problems through concepts and computations; 3. Investigations and process skills; 4. Algebra and functions. Participants are able to help students develop a comprehensive understanding of mathematics and recognize its relevance to everyday life. This is an education course; it does not give credit in math. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits.  **EDU 661116 • BUILDING MATHEMATICAL UNDERSTANDING FOR GRADES 3-5—Empire State College** • This course is intended to help those who teach mathematics in Grades 3-5 understand the mathematical content, how mathematical ideas develop, and how to implement successful teaching practices that make it more likely for students to grasp and be comfortable with mathematics. The course includes research findings on which the teaching of solid mathematics is based. It highlights teacher practices that researchers found to be associated with greater learning of mathematics and that teachers found to be relevant and vital for teaching mathematics in all grades K-12, with a focus on grades 3-5. The course aligns the Ten Principles of Thinking Mathematics, the NYSp-12 Common Core Learning Standards for Mathematics, the Standards of Mathematical Practice and the National Research Council's Strands of Mathematical Proficiency, all vital frameworks for teaching mathematics. The research behind these principles is explained with models and explanations from within multiplicative structures and discusses the implications for teaching multiplication and division, which is the essence of the work of Grades 3-5. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits. MIDDLE LEVEL EDUCATION

 **EDC 679 • MIDDLE-LEVEL EDUCATION: FOUNDATIONS FOR MIDDLE YEARS**—College of St. Rose • This is an all-encompassing course that addresses myriad concerns that emerge for early adolescents as they bridge the gap between elementary school and senior high school. Delineated in the course work are robust definitions about middle-level education as a particular and unique aspect of K-12 schooling. In describing who that middle-level student is, characteristics are described, critical transformations are explained and generalizations emerge for the middle-level educator. In addition, attention is given to six critical attributes of the traditional middle school concept, including: clustering students (houses or families), core teaching teams, blocks of time, advisor/advisee program, interdisciplinary curriculum, and a recent addition to the original elements, peer mediation. In closing, the course highlights the varied yet critical roles of middle-level advocates from teachers and parents to administrators and community leaders. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits.  **EDUC 516M • CURRICULAR ASSESSMENT AND BEHAVIOR MANAGEMENT FOR STUDENTS WITH DISABILITIES**—MERCY COLLEGE • This course is designed to develop the conceptual and technical skills required by teachers to help them implement meaningful instructional and behavioral strategies for effective learning by students with disabilities. Participants develop the professional skills necessary for the observation and assessment of behavior. Emphasis is on those instruments and assessment methods which provide direction for instructional and behavior management, including, but not restricted to, traditional psychometric instruments, curriculum-based assessment, clinical observation, interviews, norm- and criterion-referenced assessments, informal assessment measures and other alternate assessment techniques, with a consistent emphasis on the assessment of students with disabilities. In addition, students learn to plan, implement and evaluate behavior management programs for individual students in a variety of learning environments. Theoretical formulations and practical applications of behavioral techniques, especially as they apply to management and control of behavior in school, are stressed. Ethical considerations regarding behavior change procedures are discussed. Course requires 10 hours of fieldwork. *Students are required to purchase their own textbooks and materials (information will be available at time of online registration).* 3 graduate credits. Tuition for graduate courses is \$1,220 per 3-credit course. **A discount of 33% is applicable to active dues-paying UFT/NYSUT members (currently \$824 which includes \$50 registration fee and \$20 technology fee).** **Tuition must be paid in full when registering online. USING THE CAREER LADDER PROGRAM

The UFT Course Program, NYSUT/Education Learning Trust ,and SUNY/Empire State College’s Harry Van Arsdale Jr. Center for Labor Studies are collaboratively offering undergraduate courses designed specifically for paraprofessionals. Paraprofessionals can choose to take these courses to meet minimum state requirements, for personal professional growth or to continue their studies in a fully accredited program of study leading to an Associate of Arts degree.

Paraprofessionals should consult with their UFT Course Program representatives and Empire State College for details on their eligibility for an incentive program that provides tuition support, time and stipends to paraprofessionals toward their undergraduate course work.

For further information, call the NYC Department of Education Career Training Program at 718-935-2296 or Empire State College at 646-230-1274.

Once students have completed a maximum of 18 credits through the UFT/NYSUT/Empire program, they must seek academic advisement and information on the matriculation process at the college. Call Empire State College at 646-230-1274 to schedule an appointment. Matriculation is at the discretion of the college. Courses are limited to 25 participants; additional sessions may be available.

It is strongly recommended that students take at least two writing courses within the first six semesters, such as *ENG 180 (Writing as Learning)*, *ENG 110 (English Composition)*, and *ENG 104 (College Writing)*.

NOTE:
**NO NEW STUDENTS
WILL BE ADMITTED

HISTORY OF PUBLIC EDUCATION FOR PARAS • Empire State College, Harry Van Arsdale Jr. Center for Labor • This course provides an overview of the struggle for public education in the United States from the 18th century to the present. This struggle has been the means by which new groups – wage earners, slaves, women, immigrants and others–pursued and won inclusion into an expanded (and still expanding) body of citizens in the US. By insisting upon and gaining access to public education, they helped secure their own claims to equality and created new opportunities for advancement for themselves and their descendants. The nature and effect of these struggles, the education opportunities created and lost, as well as the challenges we face educating the next generation of citizens, are central concerns of this course. 3 undergraduate credits. <i>Required text will be announced prior to first class meeting.</i>

LITERATURE AND SOCIETY • Empire State College, Harry Van Arsdale Jr. Center for Labor • Literature provides us with examples of experiences and situations from which we can learn more about the nature of our obligations to ourselves and to each other. “Literature and Society” provides an opportunity to read novels, poems, and plays about the experiences of particular human beings in particular situations and to reflect upon the meaning of these experiences for the way we live our own lives. The writers who will be discussed in this course are chosen for the unique stories they tell about individuals and social groups seeking a “good” life, justice, equality, acceptance, respect, and fair living conditions in life. Their stories, which focus on themes such as love, respect, class and gender conflicts, economic, political, racial, and sexual discrimination, are intended to encourage students to take a critical look at their own lives and the society in which they live. 3 undergraduate credits. <i>Required text will be announced prior to first class meeting.</i>

BOROUGH OF MANHATTAN COMMUNITY COLLEGE

Located at 199 Chambers Street/West Side Highway in Manhattan, accessible by the 1, 2, 3, A, C, J, M, and R trains; M20, M22, M5 buses.

BMCC offers 60-credit associate degrees in teacher education for early childhood, elementary school teaching (grades 1-6), or secondary school teaching in specific subject concentrations. Students may continue at a four-year college after completing 60 credits at BMCC along with other NYS requirements.

- ♦ Early Childhood Education focuses on infants and toddlers from birth to age three, and preschool to 2nd grade (children ages 3 to 8).
- ♦ Childhood Education offers 1st-6th grade elementary education, and 1st-6th grade elementary education with a Bilingual Education extension. Eligible students may apply to the dual degree program with City College of New York. Students who are fluent in Spanish, Mandarin, or Haitian Creole are encouraged to consider the extension program.
- ♦ Secondary Education Program provides a solid liberal arts and sciences core, as well as educational foundations and subject concentration courses. Students choose from four subject areas: Mathematics, Biology, Chemistry, and Physics.

For more information, contact (212) 220-1226 or email jwalters@bmcc.cuny.edu

BRONX COMMUNITY COLLEGE

Located at 2155 University Avenue at 181st Street in the Bronx, accessible by 4 train; Bx3, Bx40/42, Bx12 buses.

BCC offers a variety of degree programs that prepare students for careers in the education work force or for transfer to four-year institutions.

- The Education Associate program offers two degree options for students choosing a career in education:
 - ♦ The Associate in Applied Science (AAS) is designed for students seeking employment upon completion of 60 credits. This program offers a wide range of education courses and internship experiences in New York City public schools.
 - ♦ Associate in Arts (AA) is geared to students who seek automatic transfer to a four-year CUNY college after completing the 60 credits, and intend to pursue a bachelor's degree and teacher certification.
- Students may also take advantage of 15-24 credits in professional development with certificates in Assistant of Children with Special Needs, Bilingual Early Childhood Assistant, or Early Childhood Assistant.

For more information, contact (718) 289-5692 or admission@bcc.cuny.edu

HOSTOS COMMUNITY COLLEGE

Located at 500 Grand Concourse in the Bronx, accessible by the 2, 4, 5 trains; Bx1, Bx2 or Bx19 buses

Hostos prepares students with the background, knowledge, and skills for employment in schools, day care centers, and other agencies providing programs for infants and young children. The course of study combines classroom instruction with workshops, seminars, and field experiences. Students are prepared to work in bilingual programs and receive the foundation for advanced work in other areas such as elementary education and special education. After completing 60 credits, students are eligible to transfer to a four-year institution.

- Both programs prepare students for employment in early childhood programs.
- ♦ The 60-credit Associate in Arts (A.A.) degree is offered for students seeking automatic transfer to a four-year CUNY college. After completing the 60 credits, students are eligible to pursue a bachelor's degree and fulfill the requirements for initial NYS teacher certification.
- ♦ The 60-credit Associate in Applied Science (A.A.S.) degree is offered for students planning to delay further study and pursue employment options upon completion of the 60 credits rather than continuing on to a four-year college. Credits are transferrable to a bachelor's degree program at a four year college and to complete the NYS requirements for initial teacher certification.

Peer Intervention Program

Personalized support for tenured teachers

The Peer Intervention Program (PIP) helps tenured teachers to:

- ➔ strengthen their performance
- ➔ enhance their skills and knowledge
- ➔ think critically about how to improve their practice

The UFT, in partnership with the NYCDOE, created PIP to support eligible teachers grow in their profession. Participants in PIP will receive one-on-one support from an experienced colleague for up to one year. PIP tailors its support to each individual's needs and strengths.

Participation in PIP is non-evaluative, voluntary and confidential.

The goal of PIP is to help teachers become more effective in their practice and to provide the best education for the students of New York City.
