DO YOUR **HOMESCHOOL** TO HELP PASS THE **HEROES ACT**

1. Call three out-of-state friends with Republican senators.

- _____
- _____
- _____

2. Tell them:

“Mitch McConnell is blocking the House’s bipartisan **HEROES Act** from even coming up for a vote. The HEROES Act provides direct and needed aid to **support the essential services** in our states, our communities and our public schools. Our lives, our livelihoods and our children’s futures are at stake. We need your senator to call for a vote, and that means **we need you.**”

3. Ask them to call their Republican senator at **833-868-8109** to say:

“**Don’t forfeit our future.** We need to fund essential services and jobs in our states, our local communities and our public schools. Save our essential services and jobs, and **pass the HEROES Act now.**”
