GOODBYE TENSION, HELLO PENSION ... AND AMAZING RTC BENEFITS!

*A few things to keep in mind before you embark
on new adventures in retirement!*

NYSUT Member Benefits

As a new RTC member, you are eligible to easily maintain your NYSUT member benefits through pension deductions by notifying the Member Benefits Department at 1-800-626-8101.

UFT Welfare Fund Drug Benefits

As a new RTC member, your in-service drug plan coverage continues for the month in which you retire plus two months after to cover you during the transition period. Retirees should consider an optional rider from their health plan in order to continue their drug coverage.

Working for the DoE

If you return to work for the Department of Education and continue to collect a pension, you will be paying union dues both as a retiree and as an employee. The UFT has developed an automated dues refund system. The accounting department will automatically calculate a refund for all eligible members (dues amounts deducted that are in excess of the full active dues rate for the period) and checks are expected to be issued in November.

Moving To or Visiting Florida?

Contact the Florida Office when you move there or if you're just visiting. The Florida Office provides many activities such as trips, theater events, luncheons, guest speakers, and more. Feel free to call with any union-related concerns at 561-994-4929.
