### Block Schedule

Article 7

(School Name)

2019-2020

#### Contract:

Article 7: There should be no more than three consecutive teaching assignments and no more than four consecutive working assignments (including professional activities).

#### SBO:

School name will modify the school schedule to allow for block scheduling. We will follow an "A/B" schedule, (also known as the alternate plan), in which four classes, approximately ninety minutes in length, will meet every other day ("A" days) for an entire school year. Four completely different classes, again ninety minutes in length, meet on alternate days ("B" days) for an entire year. Each class equals one credit. No teacher will average more than five teaching periods per day, nor will any teacher, under any circumstances, teach more than 25 teaching periods per week. This will result in some teachers teaching 2 hours and 50 minutes without a break, but no more. This schedule does not include Extended Time. The schedule is below.

DAY	"A"	"B"
Block 1	8:00-9:25	8:00-9:25
Block 2	9:28-10:50	9:28-10:50
Lunch	10:53-11:30	10:53-11:30
Block 3	11:33-12:55	11:33-12:55
Block 4	12:58-2:20	12:58-2:20

I want (*school name*) to modify the contract in the above way.

\_\_\_\_\_ Yes, I vote for block scheduling      \_\_\_\_\_ No, I do not want block scheduling
