APPLICATION FOR COLLEGE SCHOLARSHIP FUND - 2022 SCHOLARSHIP PROGRAM

The United Federation of Teachers in cooperation with the New York City Board of Education sponsors an annual scholarship program for High School Seniors from low income families graduating from New York City's Public High Schools. The award, a \$5,000 scholarship payable at the rate of \$1,250 per year, will be based on the student's record as contained in the application form. The award is for undergraduate study only. To be eligible for this program, a family's total income from all sources must not exceed the low income criteria established by the Fund. (A table relating family size to maximum permissible income is included in the accompanying instruction sheet. In addition to income, family assets and resources are considered in determining eligibility.)

The Albert Shanker College Scholarship may be used at any college accredited by one of the six regional accrediting agencies which agree to use the award in a manner approved by the Fund.

An independent committee of educators will review the applications and submit a list of recommended award winners to the Albert Shanker College Scholarship Award Committee. The determination of the Award Committee is final on all questions. Awards will be announced in April. Special certificates will be issued to the High Schools for presentation to award winners at the schools' commencement ceremonies.
