

# WORRIED ABOUT STUDENT DEBT?

- ▶ **Do you have student loans?**
- ▶ **Do you have or will you have high payments?**
- ▶ **Are you concerned about how to tell scams from genuine help when it comes to debt relief?**

Coming later this fall, the UFT will provide a new member service to help you find, navigate and apply for the right federal debt relief or debt forgiveness program. There are more than 25 of these programs and they can be complicated. ***So, we're going to help you.***

We're going to provide you with an overview of the programs during borough-wide workshops and then we're going to have you meet with trained UFT staff in our boroughs for individual consultations. We'll provide guidance to make sure you've gathered the appropriate paperwork. Then we're going to have experts review your files and make sure you're applying for the right programs that can help you.

***And all this is free\* for members of the UFT!***

We know from listening to our members that student debt is a big financial problem. We want you to have less to worry about so you can focus on your job and your family. That's our job at the UFT. We help you so you can help others.

**You'll be hearing more about  
this program from your UFT  
representatives.**

## STAY TUNED!

*\* In the event that your financial status is extremely complicated and requires extra time to manage, some members may have a co-pay during the review phase.*
