

## 2021 Summer Rising Accommodation Plan

Schools should only complete this Plan if it has been determined that the student requires accommodations to fully participate in Summer Rising. Schools should determine the level of accommodations or support by reviewing the student's IEP or 504 Plan. For additional guidance, see [Support for Students with Disabilities in K-8 Summer Rising Programs](#).

Complete this Plan **within five school days** of the student appearing in the SSPR report.
