

We are looking to Honor Everyday Heroes

It is that special time of the year where we recognize, honor and celebrate family child care providers for their extraordinary work as early childcare educators.

Do you know a fellow UFT provider who is making an exemplary difference in the lives of children, a provider who has a profound and positive impact on the community, a provider whose extraordinary contributions in the field of early childhood education has been unrecognized or a provider whose advocacy has made our union stronger and our communities better?
