# General Information

Please read carefully and keep as a reference

► **Course listings are grouped by category:**

master's degree programs; certificate programs; post-master's programs; graduate general education; graduate special education; graduate online education; and undergraduate. Subject areas are arranged alphabetically in each category. There are also separate listings for secretaries; para-professionals; UFT workshops on child abuse recognition, the needs of children with autism, and violence prevention; free UFT-sponsored stress-management workshops (Spring and Fall semesters only); and the Peer Intervention Program for tenured members who need one-on-one help in perfecting professional skills.

► **The UFT Course Program and the NYSUT Education and Learning Trust** offer master's degree courses in education from various area colleges to assist teachers in obtaining initial and professional/permanent certification. See the "Master's Degree Programs" section beginning on page 9.

► **Use a separate registration coupon for each course you select.** If you want to register for more than one course, duplicate the appropriate program's blank registration coupon. It is important to designate a second choice on registration coupons in case your first course/section has been fully registered or canceled.

► **Be sure to write the course title, UFT course code, the college number and the class meeting location on your registration coupon.** This will help minimize errors. The UFT code is in a column immediately below each course description. The college number is included at the beginning of each course description. Remember that each course needs a separate registration coupon; duplicate the appropriate program's blank coupon if you are taking more than one course.

► **Colleges and universities will not allow students to continue as non-matriculants after 6, 9 or 12 credits,** depending on their policies. Please check by calling the college's education department. If you are seeking a master's through the UFT

Course Program, this information is listed in the college description under "Master's Degree Programs" beginning on page 9 of this catalog.

► **Registration fees are not refundable** unless the course is canceled by the UFT Course Program.

► **Although we urge you to register online or by mail,** in-person registration will be accepted at UFT Headquarters in Manhattan on specific dates. See page 3 for dates, times and locations.

► **The deadline** for receipt of registration fees and coupons is **Thursday, Feb. 7, 2019.** Keep a copy of your registration coupon for your own records.

► **Some courses may have different meeting times and dates.** Please read all starting dates carefully. Instructors will provide a course schedule at the first class meeting.

► **Course schedules and offerings are subject to cancellation** based on registration.

If tuition is not paid before or at the first class, some colleges impose a late fee. This may be up to \$100 or more, and is determined by each college's policy.

► **If you drop a course after attending the first session,** a portion of your tuition may be refunded after the UFT Course Program and the college offering the course receive written notification of your decision. The refund will be pro-rated in accordance with the established college/program policy. Processing refunds takes at least six weeks.

► **Bounced checks** for tuition payments will be returned by banks with an administrative fee set by the individual college/program. To maintain registration in the course, replacement payments must be made immediately with a certified check or money order only.

► **Photo ID** is required for admission to courses at public schools and UFT borough offices.

## READ CAREFULLY

All teachers seeking to matriculate in any college's master's degree program must apply directly to the college, meet all requirements and be accepted by that college.

Each college has discretion over which courses, if any, will be accepted toward one of its master's degrees, and also how many courses students are required to take on campus.

A college may or may not accept UFT-sponsored courses that are not part of a particular master's degree program. Be sure to check with the college so that your efforts are not wasted.

The master's degree descriptions listed here are presented to highlight each particular program's requirements, but are not meant to substitute for the college's own catalog.

It is highly recommended that you obtain a college catalog for admission policies and procedural information.

## PROOF OF IMMUNIZATION REQUIRED

Students born on or after Jan. 1, 1957 are required to provide the college with proof of immunization from measles, mumps and rubella by the start of classes.

## HOW TO GET IN TOUCH

The UFT Educational Programs, including NYSUT/ELT and the UFT Course Program, are located at 52 Broadway (near Wall Street), New York, NY 10004. Please direct all mail and inquiries to that location.

You can also call 212-475-3737 and ask to speak with a NYSUT/ELT or UFT Course Program assistant. Please have the following information ready when you call: UFT code, title and location of your course.

For specific information on degree or certificate programs, please consult the college's catalog and call the contact person listed at the UFT Course Program, NYSUT/ELT or the participating college.

## IMPORTANT NOTICE REGARDING DEGREE & CERTIFICATE PROGRAMS

Descriptions of degree and certificate programs have been provided to the UFT Course Program by the collaborating colleges or universities. Any problems, issues or concerns regarding this information or your academic status must be addressed there and not to the UFT. The UFT Course Program does not grant credit; only the collaborating colleges and universities can do so.

**NOTE:** All courses, locations, dates, times and tuitions may change without notice. The UFT Course Program strives to offer the most current information available before each issue's publication deadline, but cannot be held responsible for any later changes.

# Promoting Professionalism

UFT Educational Programs lead the way

When it comes to expanding the knowledge and skills of UFT members, no one does it better than the UFT Educational Programs. They include:

- ▶ UFT Teacher Center.
- ▶ NYSUT Education and Learning Trust.
- ▶ UFT/Department of Education Peer Intervention Program.
- ▶ UFT Stress Management Workshops (Spring and Fall semesters only).
- ▶ UFT TeacherLine.
- ▶ Mandated Workshops on:
  - Child Abuse Recognition.
  - The Needs of Children with Autism.
  - Violence Prevention.
  - Dignity For All Students Act (DASA): Training in Harassment, Bullying, Cyberbullying, and Discrimination in Schools: Prevention and Intervention

The NYSUT Education and Learning Trust and the UFT Course Program offer a wide variety of no-nonsense, hands-on, credit-bearing courses taught by savvy classroom teachers at sites citywide. These courses can be used to meet state certification, to achieve salary differentials or to enhance your professional growth.

The UFT Teacher Center also has school-based consultants who provide day-to-day professional support in schools throughout the city. Through local resource centers full of instructional materials, they work with individual UFT members as well as with programs and entire schools, providing workshops, planning sessions, coaching and other support activities.

New York State requires all teachers who are seeking initial certification to take four workshops. One is on recognizing the signs

of child abuse and learning how to report it; another is on preventing violence in schools; the third is on the needs of children with autism; and the fourth is on prevention and intervention against bullying. See pages 49-52 for information and workshop listings.

Knowing how tough it can be getting through a day in our schools, the union's Stress Management Workshops provide tuition-free courses for members (Fall and Spring semesters only).

Finally, the union worked long and hard with the NYC Department of Education to create the Peer Intervention Program through a section in our contract. PIP helps tenured, appointed teachers improve their classroom skills with confidential, one-on-one assistance in participants' own schools. Admission is by application only. See page 24 for details.

## IMPORTANT NOTICE TO ALL TEACHERS APPLYING FOR NYS INITIAL CERTIFICATION

**In addition to other regulations, the state requires teachers to attend workshops on:**

- ▶ Child Abuse Recognition And Reporting (two hours)
- ▶ The Needs of Children With Autism (three hours)
- ▶ Violence Prevention (two hours)
- ▶ Dignity for All Students Act (six hours)

## Getting Credit

Here are answers to several common questions the UFT Course Program receives:

- If you are in a master's or doctoral program, you should check with your college to verify that it will accept particular courses in this educational supplement for credit toward your degree.
- Only the NYS Education Department can tell you which of these courses will meet your individual certification requirements. Although the state has approved all of these courses, that does not mean that every course will satisfy your particular requirements, so we urge you to contact the State Education Department at 518-474-3901 or [TCERT@mail.nysed.gov](mailto:TCERT@mail.nysed.gov).
- The NYS Education Department often updates certification requirements. Most classroom teaching certificates require three semester hours in methods of teaching reading. Many require additional semester hours in teaching literacy skills. Each individual evaluation form will give the amount of literacy course work required beyond the three semester hours needed in methods of teaching reading. You may select reading courses listed in this catalog.
- Although all of these graduate-level courses carry college credit, courses offered by the UFT Course Program do not, in and of themselves, lead to a graduate degree, with these exceptions:

### COLLEGE OF MOUNT SAINT VINCENT

MS in TESOL

### MERCY COLLEGE

MS in Education  
MS in Teaching Literacy

It is important to note that students must apply formally to the college, meet all requirements, and be accepted for matriculation into the college's master's degree program.

## HIGHLIGHTS OF THE MSIT FOR EDUCATORS PROGRAM

This master's program in Instructional Technology develops expertise in the use of leading-edge media and technology for teaching and learning. Graduates of the program become master teachers in P–12 classrooms, or school or district instructional technology leaders, staff developers and curriculum designers. Initial courses enhance teachers' expertise with a wide range of media and applications and set the stage for understanding how instructional technology can fulfill its potential to *Entice, Encourage, Enable and Empower* learners. Building on theories of learning, motivation and curriculum design, teachers next learn to apply newly developed technology skills in language arts, social studies, math, science and technology curricular content. An innovative action research project caps the experience as participants join the small number of certified educational technology specialists in New York State.

## SPRING 2019 PARAPROFSSIONAL COLLEGE COURSES

**ART AND SOCIAL PRACTICE • Empire State College, Harry Van Arsdale Jr. Center for Labor** • Social Practice describes a conversation between the arts and the social sciences. People who are a part of this conversation can be practitioners educated in, inspired by, or who adopt methods, ideas and attitudes from conventional and historical art forms. They then use these artistic approaches to address major questions in social life or to affect it in a variety of ways. This first practitioner makes an art out of being social. Or, secondly, it can describe practitioners who are educated in, inspired by, or who adopt methods, ideas and attitudes from the social sciences. Thus, Social Practice is an experiment, which could begin with asking a series of questions. These questions are answered in many different ways, using our thoughts, our actions and a variety of materials. 3 undergraduate credits. **Required text will be announced prior to first class meeting.**

# DIGNITY FOR ALL STUDENTS ACT (DASA)

## TRAINING IN HARASSMENT, BULLYING, CYBERBULLYING, AND DISCRIMINATION IN SCHOOLS: PREVENTION AND INTERVENTION

All NEW teachers and school-related professionals applying for NYS certification must take this state-mandated workshop. The goals of this workshop are to:

- Understand the intent, components and operational definitions of the Dignity Act
- Develop sensitivity to the experience of specific student populations
- Understand how school climate and culture have an impact on student achievement and behavior
- Understand bullying, harassment and discrimination, including indicators, early warning signs, prevention and intervention and how to interact with families of victims and aggressors
- Understand diversity and multi-cultural environments and examining your own biases.

This workshop meets the Dignity for All Students Act (DASA) training requirement of the NYS Education Department for state certification. Enrollment is limited. For further information, call 212-701-9413. **The UFT offers this workshop to its members for a \$50 fee for pedagogues and \$25 fee for paraprofessionals, payable in check or money order; (made payable to UFT); non-members pay \$100 in money order only. UFT members may register online at [www.uft.org/learnuft](http://www.uft.org/learnuft).** All fees, payable to the UFT, are NON-REFUNDABLE. Mail-in your registration as soon as possible. Classes fill up quickly. You will receive a CONFIRMATION of your registration.
